May Solve Levee Vote Issue With New Law

Simon For Concurrent Session If At-Large Election Is Ordered

State Senator Paul Simon (D, Troy) told the Press-Record today that he is consulting Gov. Otto Kerner and Attorney General William Clark on ways to assure Madison county the right to elect two of the five East Side Levee Board trustees this year. Past voting has been at large, and the legislature altered the procedure last year.

"I am a member of the economy bloc but will urge a concurrent special legislative session" to clarify the 1963 levee election law if the rules that it failed to accomplish its intent due to an error in drafting, Simon said after being reached at Springfield. It would cost \$11,000 to pay each legislator \$50 for participation in a second special session.

Stressing the importance of resolving such an issue in order to maintain public confidence in proper governmental procedures, Simon said there have been past special sessions related to non-statewide questions. One of them dealt with legislation to allow Page county levee district, he said.

"The error, unnoticed until St. Clair County's Senator John M. Karna, Jr. commented on it this week, is that the law says levee boards should be divided when a territory, rather than a county reaches 100,000 population."

Simon, who sponsored the population amendment to Granite City Rep. Lloyd "Curly" Harris' bill to meet the needs of Alan Dixon (D, Belleville), said the error was not caught in the haste of legislative action at the close of the session last June. Dixon has offered to obtain affidavits from all Madison-St. Clair county legislators to show that their intent was to specify counties of 100,000 or more population. Simon said Madison county qualifies, with a population of over 200,000; however, the section of the law that divides the county is primarily the Quad-City area, which has about 70,000 population.

"Since the law does mention the word 'county' and possibly could be construed as carrying out the intended purpose, Simon said he will push for a ruling from Clark and also will keep in touch with Gov. Kerner. "It may be next week," he said. (Continued on page 5, col. 1)

DRAMATIC FIRE SCENES as flames destroyed the Hollis Lumber Co. early Wednesday morning. The top picture was taken during the height of the flames, which leaped vertically all of the building except one wall. The lower photograph shows firemen silhouetted against the glow of the flames, which threatened to spread to neighboring homes, businesses and Granite City high school.

Fire Destroys Hollis Lumber

Homes On Iowa Street, High School Threatened; Loss Set At \$145,000

A spectacular fire of undetermined origin destroyed the Hollis Lumber Co., 3030 Madison avenue, early Wednesday morning. The loss was estimated at \$145,000 by Glen Hollis, proprietor.

Neighbors heard an explosion and a witness, who turned in the alarm at 3:30 a.m., said he saw flames shoot out of the building from every direction.

A gas pipe in the building ruptured, and flames leaped high into the sky as they were fed by escaping natural gas. Firemen could not begin to bring the blaze under control until a crew from the Illinois Power Co. turned off the gas and power. Sparks flew over and onto the roof of Granite City high school, igniting leaves which had accumulated in gutters. That flare-up was quickly extinguished, and a standby pumper was stationed at the school entrance.

By the time firemen returned to the school, classes at the high school were held on a normal schedule.

Iowa Homes Threatened
All of the homes in the 3000 block of Iowa street could have been wiped out. Fire Chief Elmer King said, if the wind was blowing in a westerly direction.

None of the residents was evacuated, but they were aroused from their homes. Many used garden hoses to soak the roofs and walls of their homes.

The roof of the office of the Ed Nichols insurance agency next door to the lumber yard was scorched, and the south wall of Gordon's market suffered some damage. Firemen poured water on burning lumber stacked close to the insurance office to prevent further damage there.

Sea Of Flames
Flames broke out in piles of lumber throughout the yard, creating a wide mass of blazing. By the time firemen returned to their stations at about 10 a.m., nothing remained but a mass of charred ruins and brick wall. Many firemen worked overtime.

The south wall and a portion of the front of the structure, which contained paints, solvents and similar hazardous items, were left standing. Two trucks in the driveway burned. Two in the lot were undamaged.

Joint County-City Paving Of Maryville Road Planned

Paving of Maryville road from Pontoon road north to Route Three, including the section between the city and the county, is being considered. The plan is to have the city and county share the cost of the project.

By a 13-4 margin, the council voted favorably on a motor fuel tax project which would include widening of 23rd street from State street to Adams street, curbs and gutters between Benton and Adams streets and improvement of drainage in the area of 23rd street and Cleveland bid.

Street Commission Chairman G. H. Sternberg said he believes that the state highway division may reject the plan on the basis that too high a portion of the \$55,910-estimate project relates to drainage. Dissenting votes were by Sternberg, William McGee and Sam Whitmer.

No specific engineer was authorized to handle preliminary planning.

Sternberg said the street and alley and finance committees are preparing recommended bidding procedures to be followed by the city controller.

Deny Change Of Vote
A lengthy discussion was held on efforts by Mrs. Gabrielle Betancourt change her vote to negative on a sidewalk construction project, which she had previously voted for.

Formerly, the Madison police chief, Fraundorfer, said, "Persons who patronize taverns in Madison are often from outside the city and many times from another state. Police and family court records show that disturbances and acts of violence often occur in connection with taverns that have their doors open to the public most of the night."

"Family trouble and motor vehicle accidents many times can be related to taverns open until the early morning hours."

"The Madison police department has been complimented by several circuit court judges for their efficient police work and Chief Stanley Wojcik, veteran police officer, and his department are doing an excellent job of enforcing the law. But many times they are handicapped with the small number of policemen on the beat."

Suggests Consultations
"Mayor Steve Maeras of Madison and his city council should consult with law enforcement agencies and city officials in the Quad-City area and throughout the county for revision of the existing ordinance with Madison that would permit uniformity of closing hours in the county."

Residents who live near the taverns should be consulted. "The following are recovering at St. Elizabeth Hospital: All Granite City residents recovering from surgery this week: Jo Ann Redin, 2219 East 24th street, Granite City, 2440 Illinois avenue; Floyd Voytes, 2414 Edwards street; David Houston, 2422 Wilson; Terry Keith Lindsay, 3704 Johnson avenue; Fred Eggle, 2616 Lincoln avenue; and William C. McNeil, 12217 Hampden street, Venice.

Madison Tavern Hours May Change

Conformity With Closing Hours In Area Is Being Considered By Council

The city of Madison is preparing for a change in tavern closing hours to conform with those of the county and surrounding municipalities.

At a city council meeting Tuesday night, Mayor Stephen Maeras reluctantly advised aldermen to consider an amendment to the liquor ordinance to prevent Madison from becoming a haven for late imbibers from St. Louis and St. Clair county.

Area closing hours are 1 a.m. during the week and 2 a.m. on Sundays, while Madison has a 4 a.m. closing law.

Action on the measure, however, likely will wait a final decision in East St. Louis, where a 1 a.m. closing law was to take effect. That law is not now being enforced, as petitions were signed calling for a referendum and election on the issue has been set for April 14.

County Enforcement?
Mayor Maeras also commented that he "don't know if the closing hours are being observed in Madison county areas."

County Sheriff Barney Fraundorfer, meanwhile, has been credited elsewhere with enforcing the county liquor laws, including closing regulations.

From a police standpoint, early closing would be beneficial, the mayor said, adding that the number of robberies and burglaries could be reduced substantially.

He also referred to comments by the Press-Record in which conformity of hours was recommended.

The mayor said he personally is against forcing new restrictive measures upon tavern businessmen, and wishes that it would not be necessary.

"Maybe people are getting so fed up with the law that they take their hard liquor the way they used to. But it looks like it's not making any difference."

In other action:
Water Co. Complaint
Mayor Maeras charged that the East St. Louis & Interurban Water Co. is delaying construction of the city's new storm sewer system by not making necessary adjustments in its water lines at its own costs.

A letter from E. Clinton Smith, vice-president and manager of the water company, showed cost estimates totaling \$100,000 to move water lines at 18 points and said the city should bear the expense.

To prevent further delay, the council voted to place \$5000 of city funds in escrow and to take the case to court or to the Illinois Commerce Commission for a decision. Louis Reilly, executive vice-president of the Illinois National Bank of Madison, was named escrow agent.

Seis President
The mayor said, "If I stand still for Bill, we'll be setting a precedent." He said the water company has no franchise and uses city streets for its lines free of charge.

He said that in the past all utilities, including the water company, have borne the expense of moving water lines.

Alderman To Close Tavern; Barmaid Issue Unsettled

An emotional episode at Monday night's Granite City council meeting gave spectators a rare look into municipal political maneuvering. Alderman William Dallas, announced he would remain on the council but halt operation of a tavern in compliance with state law.

Dallas said he had been under the pressure of the law when he ran and was elected last year, but he concluded that he would be forced off the council or out of the tavern business—the Omaha Inn tavern is operated by his wife—unless he gave in to pressure on how he was to vote on various council issues.

He resisted the pressure and it became more intense. But rather than resign or sell his business to a man he described as being hand-picked by city politicians, he has decided to convert the business into a confectionery, he related.

Caught in the middle of the dispute which has been simmering below the surface for some time, are 22 barmmaids employed in the city ordinance banning females from mixing or distributing drinks in taverns.

What perturbed Dallas and some of the other aldermen was that the law was being considered against Dallas but was not being fully enforced in other respects, they asserted.

When a bill was introduced this week to delete that section of the Granite City liquor law, the issue related by defeating it on an 8-8 vote.

It was indicated that a further attempt will be made to clarify the conflict between the law and the practice of the barmmaids. Voting to delete the ban on women employees were Deputy City Engineer, Charles Bartsch, who introduced the measure, and Aldermen Nomm, Skubish, Williams, R. Baasch, Bartsch, Bergfeld and Boyd.

Was joined by Parney Rutledge, Johnson, McGee, Moerlen, Sternberg and Thompson.

Five Persons Hurt As Auto Accident Tally Reaches 14

Five persons were injured in four of 14 automobile accidents which occurred in the Quad-City area streets and highways since Monday. One victim was admitted to St. Elizabeth Hospital.

Kathy Meyer, 13, of 125 Gersche Homes, Madison, was admitted to St. Elizabeth Hospital after her mother, Mrs. Carol Todd, 31, lost control of her auto on a curve on Highway 203 a quarter of a mile north of Interstate Route 70 near East St. Louis. The car went off the road and was turned over at 10 p.m. yesterday.

The girl suffered slight pain and some swelling of the right knee. She was reported in fair condition as a passenger, without injury.

State police said a boy, Ronald Bennett, of the same address also was injured and taken to the hospital.

Two persons were taken to St. Elizabeth Hospital when a car driven by Charles Johannmeier, 26, of 2545 Lincoln avenue, struck a utility pole at 3200 West 20th street, Jan. 8.

Diane Poe, 20, of 3002 West 20th street, a passenger, suffered a small laceration to the right knee, an abrasion to the right side of the forehead and a small bump on the right side of the head.

Time Aldermen Support Engineer Policy Change

Engineer Plan Is Endorsed By Chamber Board

The Chamber of Commerce board of directors voted at a meeting Tuesday night to endorse efforts by the Granite City Council to revise the city engineering program.

President Chester L. Baker appointed Philip Dressel and Alan Thuelke to the board, and approved formation of a town promotion committee to develop and outline procedures for obtaining matching state funds.

Dressel is vice-president of the Granite Dairy and Thuelke is owner of the Chain of Rocks Motel. Each will serve a two-year unexpired term.

In accepting the retirement of G. W. Hoelscher as a director, the board went on record as praising his outstanding service since the time the Chamber was organized. Baker said he will fill the new board vacancy at the February meeting.

It was decided to thank the Nesco Steel Barrel Co. for supplying barrels and painting them for use as trash containers in the business district.

National Meeting
Some board members may fly to Rockford, Feb. 14 for a National C. of C. Aircade, at which St. Clair County officers and St. Clair business leaders will exchange views on current issues.

Announcement
An announcement was made of the selection of Chamber Manager Harlan Dobry as one of 30 in the United States who will attend the Academy of Organization Management, an advanced training institute to be held Sept. 19 at Michigan State University.

Meeting location decisions were delegated to the executive committee, as was the authority to join with the Associated Retailers in leasing downtown office quarters if current negotiations are satisfactorily completed.

One-Day Member Drive
Vice-President Carl Mathias said Paul Stout will captain a one-day follow-up membership drive in the near future. The annual membership campaign is set for May 20.

Carl Ruff said the Tri-City Regional Port District has a number of signed leases for port operations and currently is negotiating with bond attorneys financing methods. With an auction completed, a rail line will be constructed as soon as bond decisions are made, he added.

After adjournment, Ruff, port district chairman, showed photographic slides of European ports made during his participation in an Illinois trade mission in October and November.

Lawrence Tolar Re-elected Head Of Levee Board

Lawrence Tolar was reelected president of the East Side Levee and Sanitary District at the annual reorganizational meeting yesterday morning at East St. Louis.

Reappointed were: Thomas P. McGee, Venice, treasurer; Adair L. Kruener, chief engineer; Ben Day, chief clerk; Blaise Runyan, deputy; Joseph H. Goldenhersh and John R. Sprague, attorneys.

Serving with Tolar as members of the board of trustees are John E. Mulla, George Duff and Thomas F. Hennessy.

A business meeting followed the reorganizational session. Approved was a resolution granting the Mississippi River Port Authority permission to cross a Madison county levee, located east of Highway 67, with a 12-inch pipe.

The board also authorized Tolar to contract with Union Electric Co. for installation of lights at East St. Louis stations and approved payment of \$1210 to the Joseph Keeley Construction Co. for work on a lift station at Centerville.

Plan Intended To Cut Fees, Improve Service Placed On 1st Reading

Fighting the clock and a walkout by several aldermen, nine Granite City council members succeeded Monday night in placing on first reading a plan to extensively revise city engineering practices.

The action followed detailed charges by Seventh Ward Alderman Gene H. Sternberg that the city has been paying higher engineering fees than necessary and receiving less than satisfactory results. He urged employment of a city engineer on a regular basis and elimination of current procedures.

The 9-4 vote by the council placed on first reading—immediately adopted would have required a greater degree of support—a program under which the council would assist Mayor Batts in lifting the post of city engineer which was described as vacant.

John E. Johnston of East St. Louis has been serving as the consulting and motor fuel tax engineer under yearly contracts, the most recent of which expired Dec. 31.

Interviews, Recommendations
The plan calls for a council financial and street and alley committees to interview registered professional engineers and submit two names to the council by Feb. 1. By the same date, the finance committee and a city comptroller would recommend a salary.

By Feb. 15, the mayor would be required to appoint a qualified person—either one of those recommended by the aldermen or someone else.

Aldermen supporting the motion by Sternberg and the second by William McGee were Donald Parney, Paul Rutledge, Mrs. Gabrielle Betancourt, Ford Johnson, William Dallas, Earl Thompson and Charles McGee, a former mayor who was president in the absence of Mayor Johnson.

As it became apparent that McGee was going to order the roll call despite alderman attempts to interview registered professional engineers and submit two names to the council by Feb. 1. By the same date, the finance committee and a city comptroller would recommend a salary.

Language Lab Payment Voted By Venice Board

A wide variety of business was discussed Monday night during a monthly Venice school board meeting.

Included were payment of December bills, payment for the equipment and installation of a new language laboratory, discussion of ways to dispose of a school truck and band uniforms, Supt. John Pier's report on the improved tardy record of students as compared to a year ago, and announcement of the coming school board election.

The board approved the use of the small Venice gymnasium for classes by a girls' softball league on Wednesday evenings, and use of the main gym for a Venice crippled children's benefit basketball game Feb. 8.

Supt. Pier said the new language laboratory cost \$10,425, and payment to the DuKane Corp., St. Charles, for the equipment and Auido Electronics Co., Wood River, for its installation was made from the educational fund, aided by 26% federal funds.

Revolving fund, activity fund and restricted fund reports were read by Secretary Eugene Elgan. A \$250 expense for boiler insurance was transferred from the educational fund to the building fund. The payment was made from the Elgan-Maers agency. Supt. Pier reported that the county has \$85,000 in tax collections to distribute to the school district.

Ways to dispose of a 1963 school truck no longer used and 147 heavy wool band uniforms came in for considerable discussion. Some of the members of the board were asked to dispose of the truck. However, Harry E. Hartman, school attorney, said, "The board has the power to sell any personal property not used for school purposes."

After this point was clarified, Lester Salem, president of the board, said, "Let's advertise and sell it to the highest bidder." The rest of the board agreed.

There was some thought of selling each band uniform separately, but it was decided that the district should try to get the best price possible for the group. The uniforms were stored after the high school bought new ones three years ago.

Hartman announced that the coming school board election will be held April 11. Two board members will be elected. Supt. Pier told the board members they have an invitation from the state superintendent of schools, Ray Page, to attend one of the state workshops on education TV. The closest one to Venice will be a workshop at Edinburg high school March 19-21.

Venice Future Homemakers have invited the board to a chicken dinner, which they will prepare next Wednesday. "The tardy record of students has been cut this year," Pier pointed out, "because of detention classes held in the schools." Thirty-one students were tardy in September last year, compared to 94 in September 1962; 44 tardy in October last year, down from 141 in October 1962; and 25 late in November, compared to 121 in November 1962.

Pier said that attendance was about average, 93% for December. He reported that Miss Ruth Hardwick, psychologist for county schools, has been giving EMT tests to students in the district. The Venice primary EMH class now has 11 members.

He reported that a new parking lot and driveway proposed for behind the Venice school tennis courts would cost about \$4300 and would only be large enough for 15 cars. He said, "The amount is too high for the number of cars the lot would park. We need a lot for at least 30 cars."

Next meeting of the board will be Feb. 3.

TRI-CITY GROCERY CO. ANNIVERSARY, its fiftieth, currently is being celebrated. Pictured (left to right) around an appropriate cake are Bill Lange, vice-president in charge of produce operations for the company's supermarkets in Illinois and Missouri; William Ogden, grocery manager of the Bellemea Village store; and Dwight Jackson, warehouse superintendent. All are members of the 25-Year Club.

Undergoes Spinal Surgery

Mrs. Dorothy Jones, 3115 Wayne avenue, is recovering at Jewish Hospital in St. Louis from spinal surgery. She has been a patient at the hospital for the past month.

Tri-City Grocery Firm Observing 50th Anniversary

Looking back on 50 years of service to thousands of families through three generations, the Tri-City Grocery Co. also is looking ahead to even greater future service as it observes its golden anniversary. Symbolizing the observance, a traditional birthday cake was cut this week by three members of the 25-Year Club of the local grocery firm.

A spokesman commented that "since 1914, when C. W. Pershall opened his first store at 19th street and Cleveland blvd., Granite City, the company has been a firm believer in good, old-fashioned, home-spun neighborliness."

"This, together with its motto—'first to lower and last to raise prices'—has been partly responsible for our 50 years of progress, through two world wars and two major depressions."

"Today, Tri-City Grocery Co. is the largest locally-owned and operated chain of food stores in the St. Louis metropolitan area."

of necessary adjustments to their facilities when required for public improvements and that the power and telephone utilities are doing so now.

Mayor Maeras noted that managers of local utilities agreed to cooperate at a coordinating meeting before the project was started. If it was believed to be the city's responsibility, the work would have been included in original specifications and placed on public bid, he said.

A 12-page brochure on a city proposal to construct industrial facilities for any industry interested in moving here is being prepared by the Protzell consulting firm of St. Louis, the mayor told the council, and 1000 copies will be printed at a cost of \$700. It contains statements from local industrial executives on the potential of this area, utility rates, acreage sites available and geographical location. A large ad is to be placed in the Wall Street Journal inviting industrialists to write for a free copy.

The council approved a \$1000 payment for Protzell's services for December.

A resolution was adopted forming a mayor's official traffic safety coordinating committee in conformance with an executive order issued by Gov. Kerner. Meetings will be called by the mayor as chairman, and there will be an alternate chairman and a secretary.

List Committee
The committee includes the chief of police, superintendent of schools, director of the department of streets, health commissioner, city attorney, traffic engineer, city manager (if any) and chairman of the traffic committee of the city council.

Purpose of the committee is to highlight and coordinate street and highway safety problems of the city to the end that every available resource will be applied to their solution.

Alderman Ray Kozielek reviewed recent improvements in the city, including \$250,000 in new construction in his Third Ward. He cited the mayor for efforts to make the city into a model community.

Mayor Maeras said more accomplishments can be attained, including a tree-lined park which would hide the Granite City Steel Co. plant.

Annexation Hindrance
He said state annexation statutes continue to hinder the city in its efforts to annex East Madison. "We need that area and they need us," he said.

The mayor commented that "there is no limit to what you can do as long as you have a meeting of the minds and are harmonious, and you all have an interest in your community."

Charles E. Wood, 1937 Fifth street, was appointed as a Madison auxiliary policeman.

Carpenter Opens Drive
Quad-Cityans were among those present Tuesday night at Alton as Secretary of State Charles F. Carpenter opened his downstate campaign for the Republican gubernatorial nomination with an attack on allegedly contradictory stands by Gov. Kerner and allegiance to the Chicago political boss. He pledged to "restore the state to its position of pride in the nation."

Soil Conservation Funds Available Now

Lee Rogers, manager of the Madison county ASCS office, announced today that cost-sharing assistance is available to farmers under the 1964 Agricultural Conservation Program to help carry out specifically approved soil conservation practices in Madison county.

The ACP sign-up has begun at the county office in Edwardsville, and the basic sign-up period extends through Feb. 14. However, requests will be accepted throughout the year as funds are available for the practice involved.

Farmers who intend to apply limestone and rock phosphate to their fields by July 31 may sign up now. Any materials approved for use during this period must actually be applied to the land by July 31. If this is not done, approval will be canceled.

Requests for limestone and rock phosphate to be used during the last part of the year, Aug. 1 to Dec. 31, will not be accepted until Aug. 1. In all cases, a soil test must be on file before an approval can be issued.

In order to earn assistance, an official request must be filed before the practice is started, Rodgers said, and an approval must be issued by the county committee. Also, the work must be completed within a specified time according to all requirements and specifications.

For all other soil conserving practices that are approved, the farmer will be given a limited but reasonable period of time to accomplish the work. The soil conservation Service, forestry personnel, the farm adviser and game biologist will cooperate in extending technical assistance when necessary.

Copies Of State Legal Opinions Given To SWIU

Copies of the complete legal opinions of the legal adviser to the state superintendent of public instruction for the year 1962 have been presented to Dr. H. H. Smith of Southwest Illinois University by Attorney Kenneth Lemmer of Havana.

Lemmer served as legal adviser to the former state school superintendent, George T. Williams, from 1959 to 1963 while Williams was in office.

Smith, professor of education at the local campus and chairman of the SIU president's committee on general studies, said the opinions will be useful as the basis for discussions in school law classes he teaches, and will be helpful in discovering legal principles for Illinois school law.

The copies are to be retained by the university and made available through the central library to persons engaged in research in the field of public school law.

Role Of Local Groups Cited By IEA Speaker

Stewart Williams of the Illinois Education Association staff in Springfield stressed the importance of local associations in his talk with members of the executive board of the Granite City Education Association Tuesday.

Williams told board members of legislative efforts of the IEA staff, and pointed out that it is through local groups that the staff learns the wishes of its 65,000 members and how best to represent them.

Miss Lucy Parrish, president of the local association, presided at the meeting, held at Niedringhaus school. She announced that the Feb. 18 dinner meeting of the association is to be held at Granite City high school.

Mrs. Kay Ware, reading expert from St. Louis, will be guest speaker. Miss Parrish said that members will receive more information about the dinner soon.

Son Born To Mr. And Mrs. Raymond Wiser

Mr. and Mrs. Raymond Wiser, 202 Kirkpatrick, Humar, are announcing the birth of their first child, a son, Monday at St. Elizabeth Hospital. The infant, whose weight was six pounds, three ounces, has been named James Michael.

Mrs. Wiser is the former Marilyn Jeffries, a daughter of Mr. and Mrs. James Jeffries, 2677 Center street. The paternal grandparents are Mr. and Mrs. Victor Wiser, 2608 Edwards street.

The issue is brought to a conclusion, he said.

Karna and Madison County State's Attorney Dick H. Mudge Jr. ruled this week that the wording of the law is so clear that appeal to Clark or through the courts would be futile. Mudge told the Press-Record that the solution appears to be clarifying action in a concurrent special session at Springfield.

Reason For Amendment

Purpose of the amendment was to avoid affecting the Prairie du Pont levee district, which is mostly in St. Clair county but takes in about 14 property owners in Monroe county. It was felt that Monroe county was not entitled to two board members in view of the small population involved. That county has fewer than 100,000 residents.

Mudge said that, despite the obvious intent of the bill, it is not in its normal manner, knowing that the first \$200 in hospital bills are guaranteed by the state.

Simon indicated today that the remedial action might retain the 100,000 figure but change the wording. He added that he considers it vital that the divided voting plan go into effect in 1964 as everyone has assumed would occur, until this week.

Man Fined \$5, Costs

Jim Williams, 20, of 2433 East 23rd street, pleaded guilty today to a careless driving charge and innocent to driving without a license after he was arrested at 11:25 p.m. Wednesday. He was fined \$5 and costs on the driving charge by Magistrate Gasparovic.

\$10 Fire At Home

A short circuit in the wiring of a furnace in the living room of a five-room frame home of Paul Hill, 3205 Rodgers avenue, caused a fire and about \$10 damage at 4:50 p.m. Wednesday. The Granite City fire department reported.

Credit Card Can Apply To Hospital Bills Here

St. Elizabeth Hospital has joined a guaranteed hospital insurance account program sponsored by a major credit card company, the Hilton Credit Corp., whose cards, said E. J. Blanche, provide credit privileges on a world-wide basis.

W. M. Cockrell, executive vice-president of the credit corporation, Los Angeles, said today, the program—first national hospital inpatient account guarantee by a credit card company—goes into effect this month and in more than 1200 hospitals in the 50 states and Washington, D. C.

It guarantees the first \$200 of hospital bills incurred by in-patients and provides them with immediate credit recognition. There is no cost for the service either to hospital or card holder. "This program has been developed as an additional convenience and service for Carte Blanche card holders," Cockrell said. "It can be especially useful on trips and in emergencies."

"The hospital will bill the patient in its normal manner, knowing that the first \$200 in hospital bills are guaranteed by Carte Blanche," Cockrell said. "The plan is good for the card holder, sponsor and minor children."

Status Of Shelters Discussed Last Night

A staff meeting of the civil defense staff of Granite City was held last night at the civil defense center, where status of the shelter program was the main item discussed, according to Victor Koenig, director of the local office.

He said the next step in the program is for the government to send shelter supplies to the Army Depot, but before that can be accomplished he must sign agreements with building owners where the shelters will be located.

New Members At Meeting

Twelve members were present at the monthly meeting of the Tri-City 4-H club Tuesday night at St. John United Church of Christ.

Linda Koez, president of the group, presided as they welcomed two new members, Doris and Janet Brichett. The club selected projects for the coming year at the meeting.

Bus Sideswipes Car

The left front door of a parked car owned by Clifford W. Foster, 2524 Madison avenue, between 8 p.m. Monday and 1 a.m. Tuesday, it was reported to police at 7:15 p.m. Tuesday. Entry was through an unlocked front door.

The photograph, located near the door, was Christmas gift from her son and daughter, she told police. Since the turntable did not work, she had to return it to the store for repairs.

Willis Forrester, 2625 Sanbury avenue, reported to Granite City police at 9:30 a.m. today that after he moved from 2425 St. Clair avenue, someone took a child's swing set and two metal clothes line poles from the yard at the St. Clair address in the last two days.

Mrs. Robert Phillips, 4602 Kirkpatrick Homes, reported to Granite City police at 6:35 p.m. Tuesday that a ball containing \$37 and papers was taken from her purse which was on the floor while she sat on a couch between 1 and 6 a.m. that day. She said the door was locked and the method of entry was not known.

Thomas Hammock, 3144 Harvard place, State Park, reported to the Madison county sheriff's office at 8:35 p.m. Monday that someone broke into his home while he was gone between 3:45 and 7 p.m. Entry was gained through the front door, which was unlocked.

Taken were an electric razor, a yellow bedspread, pajamas, red and blue blankets and a hamper filled with soiled clothes.

Rotary To Buy Rescue Vehicle For Firemen

Granite City Rotarians voted Tuesday to pay the cost of a new rescue or inhalator station wagon to be purchased for the Granite City fire department.

The vehicle will include the latest resuscitation and inhalation equipment, with facilities to aid two persons simultaneously. The expenditure, expected to exceed \$300, will be paid for from Rotary Horse Show proceeds.

Carl Rant, chairman of the Tri-City Regional Port Authority, spoke to the club on his trip to Europe this fall as a member of Governor Kerner's International Trade Mission.

Rant said they met with freight forwarders in many of the countries and were well received. In telling about the economy of Germany, he said, "45% of all their imports are from the United States." He showed slides of all the ports the group visited.

Mechanization Trend In Performing Farm Chores

Mechanization is getting more and more attention from farmers because modern farming calls for increasing the output per unit of labor, J. Peterson, Southern Illinois University farm power specialist, reports.

An increasing effort reports he has gone into reducing chore labor by planning farm materials handling systems which enable farmers to move materials from their livestock holdings with less labor to care for them.

There are a variety of ways to boost farm output without increasing labor, Peterson says. Grain farmers boost yields per acre by adding fertilizer, or increase the number of acres from machines and cutting out some of the tillage practices.

Livestock farmers may put in more handling equipment with which they can feed and manage many more animals than the same amount of their labor time. What kind of equipment to get often is a problem for the farmer. This depends on the jobs to be done and the kind of material to be handled.

Farm materials can be classified into free-flowing materials and grain and feed pellets; nonfree-flowing, such as corn, ground feed, most fertilizers, silage or manure; and liquids, such as water, milk and fuel.

Conveyors of free-flowing materials are well-suited to automation. Conveyors of nonfree-flowing materials are more complex. Augers are simple, rather low in cost and made in a variety of sizes—either tubular or trough—which may be

Truck, Auto Collide Today At Intersection

A truck driven by Patrick Bargeon, St. Louis, collided with a car driven by Mrs. L. O. Brawley, 3048 Nameoki drive, at 7:10 a.m. today at Sixth street and Madison avenue, in Madison.

Bargeon, who was going north, said when he saw the light turned red he applied his brakes but did not stop at the intersection. Mrs. Brawley was heading west on Sixth street. Her car received damage in the right front, while Bargeon's truck was damaged in the left rear.

Man Loses Wallet

Bill Scarsdale, 2012 Myrtle avenue, reported to Granite City police at 2:15 p.m. Wednesday that he lost his wallet containing his driver's license and papers.

He put into a series to move materials handling equipment in a horizontal line. They also will lift materials vertically for 30 or 40 feet, but require considerable power to operate. Bucket elevators cost a little more but will lift materials higher vertically with less power.

Chain conveyors are used commonly for nonfree-flowing materials and will operate from horizontally up to a 45-degree angle. Pneumatic conveyors are simple and low in cost because all that is needed is a pipe and a suitable fan. They will move material up or down and around corners. Liquids are moved through pipes by pumps of various kinds.

The farmer should settle on a simple but reliable system which will do the job he needs done. Peterson concludes.

Family Counseling Provided Each Monday

"A Family Counseling Service is being provided for the Quad-Cities area under joint sponsorship of the Protestant Welfare Association and the Quad-Cities Ministerial Association, local residents were reminded today.

This service is provided each Monday evening, from 7 to 9 o'clock in the offices of Protestant Welfare, 2055 Edison avenue. A team of three clergymen of the Quad-Cities serves each month as counselors, endeavoring to assist the families of the community to work out problems and difficulties they may face.

Appointments are made through Mrs. Marie Whittle, secretary of the Protestant Welfare Association, who notifies the ministerial team accordingly. "This service of interest and concern is available to anyone desiring to make use of it," a spokesman said.

Committee To Write New Baseball Rules For GC Boys' Leagues

A special committee, formed to rewrite the boys' baseball rules for the Granite City parks district, holds its first meeting at 7:30 p.m. today at the Wilson Park office.

Harold Brown, director of parks and recreation, will serve as committee chairman. Members are Jim Hackett, Dave Morgan, Chris VonNida, Paul Worthen, Clarence Henry, Howard Harris, Dr. Curtis Green, Walt Spieelman, Barry Loman and Gary Donley.

The park district's leagues have been operating under Khouy League rules, even though they with the St. Louis-based organization had been ended. Brown said the new rules will be ready for the baseball organizational meeting to be held in late February or early March.

The park district program includes 60 teams in five age divisions—Atom (7-9), Bantam (10-11), Midget (12-13), Junior (13-15) and Junior (15-17).

Coolidge Tops Roxana For 7th Mat Triumph

Winning match No. 7 without a loss, the Coolidge Braves defeated the Roxana Junior high school in wrestling Tuesday afternoon, 32-16.

Dean Jones, 154-pounder, posted the fastest pin for the Granite City squad, 1:43 against John Hollis. Two other Braves won by falls—Ray Hankins at 165 pounds and Ed Clemens at 180.

Taking decisions were Jerry Griffin (95), Gus Schalkham (120), Ezrie Mills (135), Wilson (127) and Steve Conway (138).

Other decisions were Jim Caudron (133) and Richard Wright (145). Randy Roustio (120) and heavyweight Bob Prince lost on pins.

Laux, Stauder New Tri-Mor Managers

France Laux, long-time St. Louis sports writer, and Vic Stauder, veteran bowling figure, this week took over as co-managers of Tri-Mor Bowl, owner Henry Ross announced today.

The two St. Louisans assumed their duties Monday. Laux, married to the former Pearl Bowler of Granite City, broadcast Browns' and Cardinals' baseball during the 1930s and 1940s. At present, he has a 6:30 a.m. radio sports show.

Stauder was formerly associated with Brunswick and AMF, bowling equipment manufacturers. A top bowler, he once averaged 216 in a St. Louis league. His wife, Mildred Stauder, is St. Louis city match games champion and was Missouri champion in 1959 and 1961.

The men plan bowling exhibitions in the near future featuring top names in bowling, major league baseball and other sports.

YMCA Teeners Snare 5th Straight Victory

YMCA Teen Town won its fifth straight victory Monday night over Branding's 49-22 in the High School League's Western Division at the Community Center.

Leading the "Y" cageers were Charlie Stephens with 16 points and Dave Sutor and Kerry Ervay with eight each. Bob Vesas and Rob Weitzel had eight apiece for Branding's.

Tri-Way Village upset Lincoln Place 66-62 and tied that team in a second place game. Gerry Broadwater scored 17, Ken Willtrout 13 and Bill Cox 12 for Tri-Way. Bob Karandeff's 18 plus 13 each by Rich Lee and Joe Panning and 10 by Connie Ybarra topped Lincoln Place.

The St. Louis downed Olga's Confectionary 57-47 as John Pomeroy scored 17, John Van Dusen 15 and Jim Pomeroy 15. Sonny Stark and Larry Johnson scored 12 and 11 points for Olga's.

Lincoln's Rams Get Back Into Action Against Visiting Attucks Blue Birds

Two teams which have gone without interscholastic competition since Dec. 17, in Lincoln high school will be host to Attucks' Blue Birds bring a 3-3 record to Venice. The Canbale school has beaten Murphyboro, Hurst-Bush, Crab Orchard, Christopher and Alto pass.

For a change, the host Rams will be facing a team with a 14-18 record. The Attucks' lineup consists of 6-2 James Smith, 6-0 Clarence Cobb, 6-0 Morgan, 5-11 Johnny Jordan and 5-8 James Battle.

Smith and Morgan are the chief scoring threats; both are averaging about 15 points a game.

Lincoln's scoring has been led by 5-10 Calvin Dixon, hitting at a 14.8 pace. Richard Jackson, 6-1 sophomore, is next with 10 points a game.

The Rams have a 1-4 record. The only victory was over Lovejoy of Brooklyn.

"We like to run and, in the best ball we've played, we used a great deal of running," Coach Moore said. "We'll be running most of the time, although we do use some patting."

After the Attucks game, Lincoln is next scheduled Tuesday night at St. Louis Vashon.

Women's Gym, Swim Classes To Open At 'Y'

New gym and beginning swim classes for women will begin Tuesday at the YMCA. Classes in each will be held from 11 a.m. to noon and 7 to 8 p.m. Tuesday and Wednesday. The cost is \$5.50 for each class. Instructors are Mrs. Shirley Kaiser for the swim classes and Mrs. Gepna Norman for the gym classes.

Registration also is being taken on at the "Y" for an art course.

Undeafened GC Sophs Play Powerful Kahoks.

The sophomores of Granite City high school are still undeafened but the young Warriors gave a rugged test tonight when they travel to Collinsville to meet the unbeaten and very powerful Kahok sophs. Game time is 6:30 p.m.

Captain Dick Harmon's club panned Belleville 74-63 here Monday night as Elmer Worham fired in 27 points. Bill O'Neill added 12 and Larry Ripka hit 11. It was the first victory without a loss for Granite City.

Clyde Kuehn and Mike Dartt scored 13 each for Belleville and Bill Stallings hit 11.

Three Church Teams Tie For League Lead

Second Baptist, Venice Methodist and St. Joseph's are all tied for first place in the Church League basketball race as a result of victories Monday night at Coolidge junior high school. All have 4-1 records.

The Baptist team rolled past Trinity Tabernacle 77-45, with four players in double figures. Jim Rippey had 18, Tom Finn 17, Jim Grote 14 and Charles Chapman 14. Shirley Barton's 19 and 10 each by Roger Felmyer and Carl Main led the losers.

St. Joseph's trimmed markers as Venice Methodist trimmed Tri-City Park 60-39. Neil Ebersold added 16 and John Neal hit 10. For Tri-City, Elvin James made 12, and Don Dillard and Ed Jackson nine each.

St. Joseph's trimmed Suburban Baptist 62-40, with Anthony Bledt scoring 16 and Andy Blasserich 10. But Suburban's William Terrell notched 28 points, highest total of the evening.

Freshman Game Canceled

Collinsville Webster canceled its scheduled game with the Madison high school freshmen Monday night at the MHS gym. Coach Earl McClanahan of Madison said the Collinsville school inadvertently ignored a two-lane street with MHS when making up its schedule. Since Webster had already scheduled the maximum 14 games it could not play.

Red Devils End Layoff Tuesday

Venice's Red Devils, who haven't played a varsity high school basketball game since Dec. 21, finally end a layoff of more than three weeks Tuesday night.

"It'll be like starting all over again," said Coach Bill O'Leary. "We've been working out hard this week."

The coach said Howard Black, a sophomore starter until undergoing an appendectomy last month, will probably be out of the lineup for another three to four weeks.

Venice has an 8-3 won-lost record.

Dunbar Game Postponed

A game between Rock Junior high school of East St. Louis and Dunbar school of Madison has been postponed to 3:30 p.m. Jan. 23, according to Charles McKinnon, Dunbar basketball coach. The game originally was scheduled for Monday afternoon at the Dunbar gym.

Guild Discusses Synod Workshop

The January meeting of the Evening Guild of St. Peter & Paul Church was held Monday evening at the church, 21st street and Cleveland blvd., with 22 members responding to roll call.

Mrs. Bonnie Branding, president, opened the meeting and Mrs. Mildred Fehling reported on a party given by the group at the Alton State Hospital during the holidays.

Miss Leona Wintermeyer explained the 1964 stewardship project and plans were made to serve meals to delegates attending the South Illinois Synod Social Activities Workshop here Jan. 22.

The Guild also will serve the Church Council dinner Sunday, Jan. 26.

Mrs. Keziah Jackson and Mrs. Eva Johannsmeyer conducted the worship service and the members then joined in a "work night" making hospital goods for church World Service.

Plans are underway for a joint meeting of the Evening and Afternoon Guilds Feb. 3, when Mrs. William Sill, wife of the pastor of the Collinsville Presbyterian Church, in appropriate costume, will review the book, "Leave Your Tears in Meow."

Refreshments were served by the hostesses, Mrs. Connie Kraus, Mrs. Florence Kuefner, Mrs. Edna Kohlbrecher and Mrs. Frances Knobloch.

CONVENTION IS Sorority Topic

A monthly meeting of Eta chapter of the Phi Tau Omega sorority was held Monday evening at the Elks club with Mrs. Dolores Seibert, president, in charge.

Miss Melmette was appointed for a convention to be held in June, and there was a discussion of money-making project.

Refreshments were served to 20 members, including five recently enrolled. The latter were Mrs. Vivian Gitchoff, Mrs. Virginia Gitchoff, Mrs. Shirley Datto, Mrs. Wagon, Mrs. Millie Hoelscher. Another member enrolled recently, Mrs. Winnie Sasyk, was absent.

Mrs. Mary Evelyn Yenchow was awarded the prize for the evening.

Mr. and Mrs. Richardson have four daughters, Mrs. Geneva Blumenstock and Mrs. Alice Hackney, both of Madison; Mrs. Lou Anderson, Venice; and Mrs. Ernest Barrie, Sausalito, Calif.

There are three sons, Francis of Mitchell, Fred of Venice and M. St. Benjamin Richardson in service in France, and 20 grandchildren and 24 great-grandchildren.

Mr. and Mrs. Richardson celebrated their golden wedding anniversary in 1964 with an open house and reception for approximately 150 relatives and friends.

MOTHERS OF TWINS PLAN DINNER MEETING

The Mothers of Twins club met Tuesday evening with Mrs. Millie Schubert, 1836 Spring avenue.

Mrs. Pat Kent, president, conducted a brief business session and afterward there were games.

The prizes were won by Mrs. Sallie Slagdy, Mrs. Carol Gen-dron, Mrs. Pat Hartman and Mrs. Helen Rehagen.

Plans were made by the group for a dinner meeting Feb. 3 at the Lewis and Clark restaurant.

Book Review At Evening Guild

"Commissioned by Royal Authority" was the topic of the devotional service led by Mrs. Mae Gottfried, spiritual life chairman, at a monthly meeting of the Evening Guild of St. John United Church of Christ Monday.

Mrs. Dorothy Schnauel, stewardship chairman, read a poem entitled "The Strongest Link" and the birthdays of four of the members were observed. They were Mrs. Virginia Davis; Mrs. Gottfried; Mrs. Alice Piroehner and Mrs. Addie Lee.

The program was given by Mrs. Muriel Kratz, who reviewed the book "To Light A Candle," the autobiography of Wally H. Fisher.

The hostesses, Mrs. Laverne Willard and Mrs. Shirley Schullinger, served refreshments to 26 members and one guest, Mrs. Ike Lipscomb.

Luncheon For Hope Circle

Hope Circle of Niedringhaus Memorial Methodist Church met Wednesday at the church. The morning was devoted to quilting, followed by a luncheon, and the meeting was opened later by Mrs. Van Best, circle leader, who presided.

Devotions were given by Mrs. Clara Dawdy, and Miss Anna Platto presented the lesson from the study book, "Christian Perfection" by Fenelon.

Nineteen were present, including three guests, Mrs. Elizabeth Jones, Miss Elva Miller and Mrs. Platto. The prizes were won by Mrs. R. L. Miller and Mrs. Glen Cundiff.

Homemakers Hear Talk On Legal Rights Of Women

Mrs. Elaine Wendler, Madison County Home Adviser, answered many questions as she presented a lesson on "Rights of Women Under Illinois Law" at the January meeting of the Trio unit of the Madison County Homemakers Association in the home of Mrs. Norman Soechting on Route One Tuesday morning.

Among the questions put to Mrs. Wendler were the following: "Under Illinois law can a woman be a dentist?" "Can a state pass a law saving women without votes?" "Can a woman sue for damages to her person without her husband joining in the suit?"

During the business session conducted by Mrs. Charles Buenger, Unit chairman, the annual meeting of the Illinois Homemakers Extension Association to be held at the University of Illinois, Jan. 28-30 was discussed by Mrs. Buenger and Mrs. Elmer Neumann, second vice-chairman of the unit, will serve as delegates at the meeting.

Mrs. Lawrence Markham reported 47 garments had been completed in the Salvation Army sewing project, and the group voted unanimously to continue the work.

Announcement was made of the annual meeting of the Madison County Service Co. at Edwardsville, Jan. 25, with Mrs. Markham, Mrs. Clara Schilling and Mrs. Robert Bruce assisting in serving the luncheon.

Mrs. Elmer Neumann reported on the county membership drive during which the Trio unit enrolled two new members, Mrs. Ed Mueller and Mrs. Hugu Paul.

A County Extension sewing class will begin Jan. 15 and the local group will be represented by Mrs. Harold Rapp and Mrs. Ed Schilling in addition.

Additional classes will be held Jan. 22, Feb. 5 and 19 and March 4 and 18. Mrs. Dorothy Hamilton, 2631 Lincoln avenue, will be hostess to the Trio unit Feb. 4. A Valentine Day handkerchief exchange will be held in connection with the meeting.

A dessert course was served at Tuesday's meeting to Mesdames Robert Anderson, William Branding, Robert Baur, Charles Buenger, Charles Guth, William Hamilton, Ed Schilling, Ed Schilling, Jr. and two guests, Mrs. John Roberts and Mrs. Edna Soechting.

Prizes in the games were awarded to Mrs. Rapp and Mrs. Bruce.

Luncheon For Rotary-Anns

A luncheon meeting of the Rotary-Anns was held at the home of Mrs. Eugene Coe, Mrs. E. G. Schmitt and Mrs. Walter Sons serving on the hospitality committee. Twenty-two were present.

A short business discussion was conducted by the president, Mrs. Ed Nenz, and the remainder of the time was spent at games, with prizes for all.

The special award, a floral arrangement which served as a centerpiece on the refreshment table, was sent by the club to Mrs. Charles Gavin, one of the members who is hospitalized at St. Mary's Hospital, East St. Louis, where she underwent surgery Wednesday.

Attending Tuesday's meeting, besides those mentioned, were Mesdames Glenn Abernethy, E. L. Ackerman, Muriel Anderson, Harvey Balke, Alfred Buis, Loren Davis, Warren Decatur, A. H. Froelming, William Hoebecker, G. W. Hoebecker, Homer Huber, Carl Mathias, A. C. Stover, Paul Stout, C. E. Townsend, Raymond Willard, Harold Schaff and Marvin Henderson.

Hostesses at the February meeting will be Mrs. Froelming, Mrs. Townsend and Mrs. Schaff.

MRS. HAGAN HOSTESS TO PINOCCHLE CLUB

Mrs. Della Hagan was hostess to her pinocchle club Tuesday evening at her home, 2530 Edwards street.

"The birthday of one of the members, Mrs. Agnes Schwartzkopf, was celebrated and she received gifts from the club and from her "sunshine friend."

Those holding winning scores were Mrs. Gertrude Fleming, Mrs. Martha Bowman, Mrs. Irene Argelan, Mrs. Grace Hendrich and the hostess.

Mrs. Kathryn Johnson will be the next hostess, entertaining at her home, 2599 East 25th street.

Miss Flowers To Be Married

Mr. and Mrs. Wilbur C. Flowers, 1701 Ferguson avenue, are announcing the engagement of their daughter, Miss Willa Sue Flowers, to James Vincent Gibson of Clayton, Mo., a son of John Gibson of Florissant, Mo., and Mrs. Izel Gibson of Miami, Fla.

The bride-to-be graduated from Granite City high school and has been employed as a credit receptionist by the Industrial Loan department of Mercantile Trust Co. in St. Louis. Mr. Gibson is manager of the GFC Loan Co. in Wellston. He is a graduate of Maplewood high school.

The wedding of the couple will take place April 4 at the Church of Christ, 2130 Clark avenue.

Senior League Work Project

The home of Mrs. Bethel J. Davis, 2148 State street, was the place of meeting Tuesday evening for the Senior League of the Gospel Mission.

Don Hayes, president, called the group to order and Gordon Hergert was in charge of devotions. Prayer was offered by Larry Hayes, and Miss Jackie Hill, secretary, gave a report.

Miss Joyce Fowler reported on cards sent to the sick and shut-ins.

Miss Fowler was appointed song leader until March and a treasury report was given by Mrs. Earlene Hayes. Plans were made by the group to meet Monday evening, Jan. 13, at the church on 20th street to complete painting of the chairs for the primary department.

Present besides those mentioned were Gary Frost, Sandy Townzen, Lola Mayfield, Connie Dean and the youth sponsor, Mrs. Calvin Lazenby Jr.

A dessert course was served by the hostess, who is superintendent of the Mission, and the group was dismissed by prayer.

The next meeting will be held in the Lazenby home, 2837 Wayne avenue, Feb. 4 at 7:30 p.m.

HAIRDRESSERS GROUP PLANS FOR BEAUTY WEEK

The Elite Hairdressers Association, a newly organized group, met Monday evening at the Rose Bowl. Earl Parsons, president, was in charge of the meeting, attended by about 50 members. Attorney Terry Francis was a guest speaker.

Mary Ann Andre, who is in charge of arrangements for National Beauty Salon Week to be held Feb. 9-15, appointed committees for the program, a highlight of which will be a meeting on "Hair and Fashions" at the Tri-Mor bowling lanes, Feb. 16.

New by-laws were read and approved and there were demonstrations and comb-outs on current hair styles by Stanley Coleman. Serving as models were Mrs. Melvin Freedman and Mrs. Barbara Pointer.

Nine Aldermen

(Continued from Page 1.)

of proper use of engineering skills and judgment. "It also lacks as municipal officers or employees, qualified engineers exercising full-time concern with its daily engineering problems, the planning of its future engineering projects and the long-range solutions to problems that will beset Granite City as the city once more begins to grow.

"Granite City presently has two contracts for engineering services, both contracts being with David J. Johnston, Registered Professional Engineer No. 5206, of East St. Louis, Ill. "One contract, in effect until Jan. 1, 1964, is for consulting service to the owner, Granite City. The \$3000 fee for the year's service under the terms of the contract gives the city Mr. Johnston's service in consultation or conference, plus supervision of a non-existent city engineering department.

"If the city requires anything more than an educated guess at the cost of a future project or a city problem, it pays, in addition to the \$3000 fee, all field and office cost incurred in preparing even a preliminary estimate. The specific rates of pay for field office work are not set out in the contract.

Served By Assistant "Aside from a few isolated attendances at council meetings in the very recent past, we have seen very little of Mr. Johnston and have had no benefit from the engineering knowledge and experience his engineer's registration leads us to believe he possesses.

"Instead, he has made available to us, in non-compliance with the terms of the contract, the engineering knowledge and experience of Mr. Al Pearson, a non-registered engineer with limited engineering education.

"Mr. Pearson has been, in the minds of some councilmen, our city engineer. We have no city engineer, either by law or in fact. By statute, the city engineer in a city like ours must be duly registered as a professional engineer with the Department of Education and Registration of the state of Illinois.

"The city engineer must be paid from a city's general funds and cannot be paid wholly in part, with one possible noted exception now under litigation before the state, with money from tax funds. Mr. Pearson is either receiving all his money from MFT funds or part from MFT funds and part from general funds.

High Fee Schedule "The second contract between the city of Granite City and David J. Johnston is for performing professional engineering services for the city in connection with its motor fuel tax construction and maintenance program for a 12-month period ending Jan. 1, 1964.

"This contract is more or less a standard contract for MFT engineering, but carries an excessively high fee schedule, when compared with the basic minimum schedule of fees approved by the Illinois Society of Professional Engineers.

"Granite City is paying as much as 25% more than is necessary for qualified engineering service in MFT work. To be specific, a \$15,000 job costs us an extra \$300; a \$30,000 job costs us an extra \$525; a \$50,000 job costs us an extra \$725; a \$100,000 job costs us an extra \$1475.

75% For Overhead

"Another item of exorbitant expense in our MFT contract with Mr. Johnston is the 75% the contract allows him to add for overhead and profit to labor expended in direct job supervision, in making soil studies and soil reports, traffic counts, design studies, map making and individual property plans. The normal plus is 35% to 50% and is deemed adequate by most engineering firms.

"We realize full well that engineers are not hired on fee alone. We also realize that the fee schedule in our contract with Mr. Johnston is within the range acceptable to the State of Illinois division of highways. We know that good engineering firms, with long records of service to owners, are entitled to higher fees for the greater amount of greater quality of service rendered.

"Such outstanding quality or quality of service has not been shown from Johnston. The quality of his work has been illustrated by the 20th street sewer, where some \$200,000 went down the drain, and by the Terrace lane mess, where less than \$50,000 replaced a sewer line after approximately \$250,000 had been spent in repair attempts.

"Another incident of handling of routine problems is represented in the fact that Johnston road is not upgraded as a thoroughfare because our engineering advice said it could not be fixed in its entirety because of the county-owned plug at the bend. "Subsequent events have shown that procedures of the MFT act would have made possible the upgrading of Johnston road some months or years ago.

Cities Inspection Bills "For the month of June 1963, Pearson rendered to the city of Granite City a bill for engineering inspection on the Myrtle, Ralph and Alexander street im-

provements in the amount of \$2393.78. In the month of June, the contractor for these three jobs expended total labor in the amount of \$30.05.

"The total time consumed by the contractor in substantial completion of all three jobs was just short of two and one-half months. To the job was completed in four and two-thirds man-months for direct, one-the-job inspection. In other words, Granite City for direct, on-the-job, inspection, on the job.

"The contractor and the full-time superintendent employed by the contractor on these jobs are ready to swear that not even a total of one man-week was spent on the job in engineering inspection.

Examples Dimissal

"The examples of judgment and ability outlined above if they qualify the engineer involved for higher fees, they qualify him for dismissal. We must shop for and get better engineering talent at a more reasonable price.

"In addition to shopping for and hiring a better qualified, more reasonably priced MFT engineer, we must replace the consulting engineer service of David Johnston, administered to us by Al Pearson, with a full-time four engineer—city engineer by law and in fact.

"The state statutes allow our mayor to appoint a public engineer. In 1961 an enabling ordinance, No. 2415, was passed, authorizing him to do so. He has never filled the vacancy the ordinance created. Let's hope he thought he did in making the contract with Johnston for the consulting services.

"We must insist the mayor fill the vacancy in the office of public engineer post, and scrap the consulting engineer contract.

State Registration

"A city engineer, by statute must be a professional engineer registered with the Illinois Department of Registration and Education. So qualified, he could couple his proven engineering knowledge and recorded experience with (Street Supt. William) Warfield's practical experience in municipal street maintenance and give us a much improved street department, both in the administrative and field aspects of the department's work.

"He could organize the sorely needed Department of Public Works, that must exist if the city's public works are ever to be properly handled.

"The city shall subdivide regulatory compliance with respect to drainage, present and future. He could lead the planning of future projects designed to upgrade our community city.

mate and appearance and enhance its future.

"He would be on full-time service recommending preventive maintenance projects that would come to us free by being done at relatively inexpensive preventive maintenance jobs instead of expensive replacement jobs.

"I have prepared a resolution and have received Attorney George Filloff's approval of its form. The resolution is designed to get the office of city engineer filled as authorized by statute and directed by ordinance. No attempt is being made to take any power from the mayor.

"In addition to the two names to be set up by the terms of the resolution, the mayor may set up and choose another person. The man chosen must fill statutory requirements.

Financing Plan

"Financing the post of city engineer for the remainder of the current fiscal year is only a minor problem. It would require the setting of approximately \$3000 within the street and alley budget or shifting it from some other reserve source of funds.

"Such a move is perfectly proper and legal, but does require a three-fourths vote of the council to approve the shift of funds.

"Believing the passage of the resolution, the elimination of the consulting service contract and the replacement of Johnston as the MFT engineer to be of prime importance to an improved Granite City, I ask your support when these measures come to the council floor.

"Whereas, the city of Granite City has by Ordinance No. 2415 established the office of city engineer of the city of Granite City, and

been filled and a vacancy now exists in said office, and

"Whereas, it is to the best interest of the city of Granite City that the office of city engineer be filled, and

"Whereas, under the provisions of Article III, Division V, Section 5 of the Municipal Code of Granite City, Ill. (Rev. Stat., 1963), the city engineer must be registered under the provisions of the Illinois Professional Engineering Act,"

"Now, therefore, be it resolved by the city council of the city of Granite City:

Interviews By Committees

"1. That the Finance Committee of the city council of the city of Granite City and the Street and Alley Committee of the city council of the city of Granite City shall interview qualified persons to fill the vacancy now existing in the office of city engineer of the city of Granite City and shall on or before Feb. 1, 1964, submit to the

Leon Brown, 57, Found Dead At His Apartment

Leon G. Brown, 57, was found dead by Granite City police at 8 a.m. Tuesday at his apartment at 2116 Marshall avenue. A coroner's inquest determined that he died of natural causes, probably a heart attack.

Police Officer George Gall Jr., 2018 Marshall avenue, had not seen Mr. Brown for several days and went to his house to investigate. He found him in his bedroom. Henry Pieper, deputy coroner, estimated he had been dead for about three days.

Mr. Brown, born in Grant, Mich., was retired from the Army after 20 years of service. He had been a local resident for many years and had recently started working for Stolz Lumber Co.

His wife, Mrs. William (Victoria) Eckels, East St. Louis, Mrs. Stanley (Katherine) Sawicki, Granite City, and Mrs. Tony (Frances) Trotts, Madison, were taken to Grant yesterday for funeral services and burial today. Arrangements are given in the obituary column.

Mrs. Gavilsky Dies; Madisonian 53 Years

Mrs. Catherine Gavilsky, 71, of 619 Greenwood street, Madison, died at 6:15 p.m. Tuesday at St. Elizabeth Hospital, where she had been a patient for an hour following a two-week illness.

Mrs. Gavilsky, born in Lithuania, had been a resident of Madison for 33 years, moving here from Waukegan. She was a member of St. Mary's Catholic Church.

Her husband, Frank, died in 1947. She is survived by four daughters, Mrs. William (Victoria) Eckels, East St. Louis, Mrs. Stanley (Katherine) Sawicki, Granite City, and Mrs. Tony (Frances) Trotts, Madison, and three sons, Mrs. Marcella Barabesky, Granite City, and Misses Petronella and Anne Grecus of a Lithuanian, 10 grandchildren and three great-grandchildren.

An obituary notice is given elsewhere in this issue.

CHAIRMAN of 1964 Heart Fund drive here, Attorney Terry Francis of Granite City.

Francis To Head 1964 Heart Fund Drive In Area

Terry Francis, local attorney, will be chairman of the Tri-Cities 1964 Heart Fund campaign, it was announced today by Miss Eulalia Hotz, County Heart Association chairman.

Proceeds of the campaign will be used to fight heart and circulatory diseases, now responsible for more than 34% of all deaths in the United States. These diseases include heart attack, stroke, high blood pressure and hardening of the arteries, rheumatic fever and inborn heart defects.

The annual nationwide campaign, which supports research, education and community service programs of the American Heart Association and its affiliates and chapters, begins with the opening of Heart Month Feb. 1, it continues through Feb. 28.

"I am happy to accept the chairmanship of the 1964 Heart Fund campaign and to join actively in this health crusade, which is saving hearts in our own community and throughout the nation," Francis said. "Because my own father, Walter Francis, was taken by this disease only two years ago, this cause is very close to my heart."

Heart Sunday Observance. The Heart Fund will reach its high point here on Heart Sunday, Feb. 23, when volunteers will visit their neighbors to distribute information about the heart and its diseases and to receive contributions.

Similar Heart Sunday visitations are to be carried out by more than 1,700,000 Heart Fund volunteers in residential communities throughout the nation.

Francis is a native of Granite City. He is a graduate of the University of Kansas and has his law degree from Washington University in St. Louis. He is active in the local bar association, in community political activities and in family Service Agency.

VA Pensioners Must Return Income Reports

Fifty-three thousand Illinois veterans or dependents of veterans on Veterans Administration pension rolls, who have not sent the VA their annual income reports, were warned today that they are playing a losing game.

John B. Naser, VA regional manager for Illinois, pointed out that the law requires suspension of pensions Feb. 1, if questionnaire cards sent out December one have not been returned. The card is simpler to fill out this year and should be returned as soon as possible.

The Chicago office mailed 106,000 questionnaires and has gotten back just 53,678, Naser said. Of these, 3152 have been returned to the senders because some questions had not been answered. Several hundred even failed to sign the cards.

Most important of the unanswered items was the estimate of 1964 income, Naser explained. VA particularly needs an accurate report of 1963 income along with a fair estimate of expected income in order to determine whether a beneficiary is entitled to continued pension or to higher or lower payments. Payments can be made under the law only to those veterans, their widows or minor children whose incomes come within certain limits.

Suspension of the pension is mandatory if the report is not received, but the VA manager also pointed out that failure to return the card can result in the beneficiary having to repay VA all the money he received during 1963.

Driver Released On Bail

After Two-Car Collision

A two-car collision at 12:40 a.m. Tuesday on Madison avenue near Third street in Madison resulted in a driver being charged with careless driving and leaving the scene of an accident.

William J. Pelster, 43, St. Louis, was freed on cash bond by Madison police after he told

them that poor visibility when he was driving south on Madison caused him to run into a parked car owned by Margie Shemora, 1433 Washington avenue.

The latter car was damaged at the rear while the Pelster's right front fender and front end received damage.

WORK IS BEGINNING on the Colonnades Nursing Home, shown in this drawing by Architect Virgil H. Dulgeroff as it will appear when finished. Groundbreaking

Groundbreaking Saturday For New GC Nursing Home

Groundbreaking ceremonies for a \$750,000 nursing home, The Colonnades, located on West Pontoon road west of the Briarcliff Addition, will be held at 1 p.m. Saturday.

Charles J. Gaff, a local business and secretary-treasurer of the home, said today that city state officials as well as members of the clergy are being invited to the ceremonies. Dr. James C. Byers jr., is president of the home.

The contract to build the nursing home has been awarded to the Leo Wolf Construction Co. and work on the structure, which will occupy 20,000 square feet on a 12½-acre tract, is being started.

Virgil H. Dulgeroff of Granite City is the architect. Dulgeroff reported there will be 30 rooms in the nursing home, of which 40 will be bedrooms accommodating 78 beds. All the rooms will be private or semi-private.

The State Department of Public Health has approved the proposed facilities and the state fire marshal has given the building plans a class A rating, the highest possible.

All the rooms, Gaff said, will be individually temperature-controlled and there will be continuous ventilation of all bath and storage areas in the home, which will be completely air-conditioned.

Dr. Byers said, "The purpose of the home is to offer professional nursing care, rehabilitation and recreation for all our patients." All patients will remain under the care of their own private physicians; in case of an emergency, however, a physician will be available.

There will be at least six registered nurses and an equal number of registered practical nurses employed by the home when it opens in the late summer. Gaff said this will insure 24-hour nursing service for the residents. Applications for residence and employment will be taken later.

Stops For Children, Hit

A car driven by Olga Prenzler, 811 Lee avenue, Madison, was struck in the rear at 12:35 p.m. Tuesday at 22nd street and Madison avenue by an auto driven by Christ Geroff, 72 of 1912 Fifth street, Madison, after she stopped to permit school children to cross. Geroff said his foot slipped off of the brake. The cars were damaged at the point of impact.

Woman Driver Charged

A charge of speeding was filed at 9:50 a.m. Tuesday against Charlotte E. Prince, 2050 Edwarville road, Madison, after she was arrested at 20th and Quincy streets.

will take place at 1 p.m. Saturday at the site on West Pontoon road.

Area Purchasing In 1962-63 Year Tops \$63 Million Mark

Purchasing in the Quad-City area totaled \$63,000,836 for the year of July 1962 through June 1963, Illinois Department of Revenue records showed today.

The figures compare with \$77,606,573 in 1961-62, \$80,828,125 in 1960-61, \$61,493,435 in 1959-60, \$54,850,138 in 1958-59, \$57,288,794 in 1957-58 and \$57,661,109 in 1956-57.

Similar tabulations for recent calendar years show \$69,859,473 in 1962, \$63,984,123 in 1961, \$79,278,194 in 1960, \$58,479,809 in 1959, \$52,186,771 in 1958 and \$57,981,509 in 1957.

While the second half of 1962 saw a drop in buying, \$31,707,151, compared to \$32,154,231 in July-December 1961, the first half of 1963 brought an upward trend.

January-June 1963 purchasing amounted to \$31,653,655, compared to \$29,432,322 in the first half of 1962.

\$51 Million In GC

The \$63,000,836 total for 1962-63 includes \$51,277,707 purchasing reported by 519 Granite City stores, \$8,785,081 by 157 Madison firms, \$2,181,088 by 74 Venice businesses and \$818,079 by 10 Mitchell establishments.

A breakdown of the areawide figures for the 12-month period shows food buying in the lead with \$19,638,684, and automotive and filling stations next with \$13,241,422.

Drinking and eating places reported \$5,132,942, hardware stores, lumber and building supply firms \$5,143,630, manufacturers \$4,922,001, retail-wholesale stores \$4,422,385, general merchandise stores \$4,264,493, furniture, household goods and radio stores \$2,831,296, apparel \$2,570,970 and miscellaneous, \$792,973.

Officers Installed By Dental Society

New officers were installed at a meeting Tuesday night of the Tri-City Dental Society at St. Elizabeth Hospital. Officers are Dr. Albert Triant, president; Dr. Wallace Brylak, vice-president; and Dr. Richard L. Yeager, secretary-treasurer.

Sister Theresa of the hospital's anesthetic section gave a talk and demonstration on patient resuscitation.

Members toured the new dental operating room at the hospital. Dr. Mike Anagnostopoulos, East St. Louis oral surgeon, said the room is completely equipped with the latest equipment.

Parking Lot Accident

Cars driven by James E. Bradford jr., 26, Collinsville, and Ruthe D. Obermeier, 38, of 1927 Third street, Madison, were involved in an accident at 2:20 p.m. Tuesday on the Granite City Steel Co. parking lot at East 20th street and Omaha avenue.

Collide Near Curb

As it was pulling away from the curb in the 1900 block of Delmar avenue at 4:45 p.m. Tuesday, a car driven by Marilyn J. Whitworth, 3222 Wilshire drive, collided with a northbound auto driven by James A. Keeton, 2706 West 20th street. The left front of her car and the rear front of his auto were damaged.

No Venice Park Meeting

The Venice park district board did not meet Tuesday night due to illnesses among members. The meeting has not been rescheduled.

MRS. LEIGH WATSON
2804 Willow Avenue,
TR. 6-6851.

The Webster school PTA executive board met at the school Monday night with the president, Mrs. Pat Pool. A discussion was held concerning an April rummage sale.

Announcement was made of the Area PTA Council recognition dinner to be held Mar. 5. It was agreed that four members of the Webster PTA board will attend.

The entire group of PTA members was invited to a television show Feb. 3. About 50 will go by chartered bus.

Mrs. Jeanette Morien, treasurer, gave a report and Mrs. Pool announced that the Webster school PTA will be host to the Area Council monthly meeting in May.

The program for the Jan. 13 meeting will be a short talk on school policy by Principal City Lee.

The second grade room mothers will serve refreshments.

Others present were Mesdames Junetta Felt, Helen Frazier, Miss Emma Sue Rose and Lee.

Girl Scout leaders of Neighborhood Three are making plans for participation in a "Thinking Day" program Feb. 9 at the Madison recreation center and a cookie sale kickoff meeting Feb. 22 at the Washington theatre.

Mrs. Henry Hellmick and Mrs. Alvin Jensen will head the sale.

A tree planting ceremony is scheduled for March 14, and there will be an international dinner March 31 at Central Christian Church.

Mrs. Fred Kunemann and Mrs. Clifton Smith will serve on the committee.

RETURN FROM VISIT
Mr. and Mrs. Ben Olive, 701 Kirkpatrick, Haverhill, returned Sunday from Detroit, Mich., after a ten-day visit with their son, Ben M. Olive, and Olive's brother, Frank Olive, and family.

Here's a Mid-Winter Flavor Treat

January's a blustery month. It's also, for many, a month of restoring "battered budgets". Meal planning becomes a matter of saving pennies... a difficult situation.

Ground lamb provides a different taste and good basis for hearty casseroles. Canned mushrooms (particularly canned mushroom gravy with the lamb) joins the meat for an exciting combination. A sip of garlic and herbs, the spark of canned red tomatoes, and the rice in this Lamb and Mushroom Supper will provide you and the family with a taste hit. Colorful and delectable, this casserole will be one you'll want to serve often.

A salad of avocado and oranges is a tangy complement to the dish. Even cup-cakes take on a new perkiness when scooped out

and filled with an instant pudding mix.

LAMB AND MUSHROOM SUPPER
1. pound ground lamb
1/2 cup chopped onion
1 tablespoon chopped green pepper
1 clove garlic, minced
1 can (10 1/2 ounces) mushroom gravy
1 cup cooked tomatoes
1 teaspoon salt
2 teaspoons rosemary, crushed
1 cup cooked rice

In skillet, cook lamb, onion, green pepper, and garlic until meat is browned and vegetables are tender; pour off fat. Stir in remaining ingredients except rice. Line the bottom and sides of a greased 1 1/2-quart casserole with rice. Pour in meat mixture. Bake at 350° F. for 20 minutes. Makes 4 servings.

Bosses To Be Honored
Guests At Banquet

Bosses will be honored guests at this year's Jaycee Distinguished Service Award dinner to be held at 7 p.m. Jan. 22 at the Rose Bowl restaurant, according to Don Kopp, chairman of ticket reservations for the banquet.

The dinner, which will honor the "outstanding young man between 21-36 in the city," will feature Bob Barnes, sports editor of the Globe-Democrat, as the principal speaker.

The family style dinner will be open to the public but reservations must be made by Jan. 17 by calling him at either TR 7-6315 or TR 6-7500. Prices for banquet tickets are \$3.25 each.

Industrial Management
Term Postponed A Week

Opening date of the Southwestern Illinois University industrial management winter program of non-credit courses has been changed from Jan. 15 to Jan. 22. The announcement was made today by E. R. Cas-

stevens, supervisor of industrial and technical programs.

The classes, which will meet in the high schools, are designed to meet the demand from industry to provide employees with "tools of the trade" and to prepare leaders for intelligent participation in their work.

Books, which will not be available until the week of Jan. 30, can be purchased from bookstores at the Alton and East St. Louis centers or at the Adult Education Office in Granite City high school. Prospective students may enroll through Jan. 15 by telephoning 656-7528.

Travel Wagon Display
Set At Mohr Agency

A "travel wagon," a Ford Econoline window van equipped with camper kits that provide a compact "home away from home," will be on display all of next week at the B. E. Mohr agency, 1837 Madison avenue.

The vehicle is designed to accommodate either a standard or a custom camper kit. The former consists of seats, cushions, a table and a utility shelf, while the latter kit adds two storage cabinets and a wardrobe.

First Circuit Court Setting Completed Here

First non-jury setting was conducted Monday, Tuesday and yesterday at the new circuit court in Granite City. Non-jury cases also are scheduled for the weeks of Jan. 13 and 20, with jury cases starting Jan. 27.
 Associate Circuit Judge Fred P. Schuman issued a summary judgment in favor of the defendant, the Farmers & Merchants Bank of Highland, in a suit brought by John W. Stieh.
 Six cases were dismissed due to out-of-court settlements, four were continued for "good cause," one was continued due to an illness, two were deferred pending replacement of a deceased attorney and one was referred to the Edwardsville court.

CHARRED RUINS, RUBBLE and a brick wall, in addition to a display sign, are all that remained after a spectacular fire destroyed the Halls Lumber Co. yesterday. An Illinois Power Co. lineman on the utility pole at left makes

repairs after gas and power lines to the building were cut off to help firemen bring the blaze under control. Estimates of damage ranged up to \$145,000.

Open House Wednesday

Bi-State To Dedicate New Dock Addition Here

The Bi-State Development Agency will hold an open house and dedicate its expanded wharf and terminal at the Granite City harbor on the Chain of Rocks Canal from 10 a.m. to noon Wednesday.

Dunbar PTA Members View Cancer Films

Approximately 70 persons attended a regular meeting of the Dunbar school PTA last night at the school.

Mrs. Rosie Parnell presided due to the illness of Mrs. Josephine Fletcher.

Two cancer films provided by the Madison County Cancer Society were shown by Mrs. Hilda James, health chairman. They were "Traitor Within" and "Man Alive." Dr. Joseph Riley, a local physician, was introduced and conducted a question and answer period after a talk on cancer and its treatment. Another film for women only will be shown at a later date.

Plans for the annual Founders Day banquet were made and Mrs. Mary Quinn was appointed chairman for the event. The room count was won by Author Adams' sixth grade room.

Mrs. Curlee Davis, chairman of the Christmas lighting committee announced the following winners: Mr. and Mrs. Andrew Watts, first prize; Mr. and Mrs. Curtis Jenkins, second; and Mr. and Mrs. Charles Nelson, third.

Auto Fire In Venice Extinguished Today

The Venice fire department extinguished a fire in the wiring system of a car owned by Kenneth Langston, 644 Jefferson avenue at 8:30 a.m. today. In front of his home. It took them five minutes to put the fire out.

GO TO CHURCH SUNDAY

The public terminal at the south end of the dock is operated for the agency by the St. Louis Terminal Distributing Co.

Sverdrup & Parcel were the consulting engineers and the project was built under a competitive bid contract by Vollmar Brothers Construction Co., St. Louis.

are being invited to attend the event, which will mark the substantial completion of expansion of the dock and public terminal.

A brief ribbon cutting ceremony at 10 a.m. to signify the official opening, will be conducted by Granite City Mayor Leonard R. Davis, assisted by Mayors Stephen Mauns of Madison and Dr. John E. Lee of Venice.

C. E. Townsend, editor and publisher of the Press-Record and vice-chairman of the Bi-State Development Agency commission, will extend the welcome of the agency.

New Facilities

Included in the \$350,000 expansion and available for inspection of the guests will be the following principal items of the addition:

A bulk commodity unloading system for unloading barges and expeditiously loading trucks and rail cars.

A 200-foot railroad trestle and more than 2500 lineal feet of tracks and switches that will increase the capacity and the efficiency in the handling of railroad cars.

A large asphalt and concrete paved platform and storage area to provide for increased capacity in the transfer of freight to and from railroad cars.

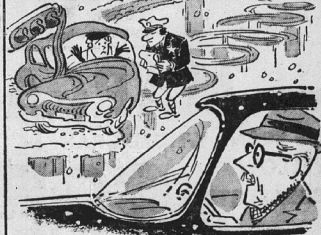

And four new dolphins for mooring barges, which double the capacity of the dock.

GC Steel Co. Financing

Construction of the additional facilities was made possible by the financial help and cooperation of Granite City Steel Co., which leases the northerly section of the wharf.

The public terminal at the south end of the dock is operated for the agency by the St. Louis Terminal Distributing Co.

WINTER WOES by Purson

A modern day Billy—no kid—Knows the danger whenever cars skid. He tests out his brakes. And makes no mistakes. Like spin-around, sad Katy did!

PREVENT THOSE WINTER DRIVING WOES
 The Safe Winter Driving League presents the National Safety Council's new safety tip from the National Safety Council for driving on snow or ice. "Know the condition of the road surface. Get the 'feel' of the road by trying your brakes gently when away from other traffic. This tells you how slick the road surface is. Then adjust your speed and driving habits accordingly."

WORLD FRIENDS MEET

World Friends Sunbeams of Second Baptist Church met Tuesday afternoon to begin a study of midwestern and northwestern states. Early arrivals worked on Bible verses and United States map puzzle. Activity time was spent with World Friends booklets and in studying the motto and promises. Miss Evelyn Barnes told the story of the Good Samaritan, and Miss Jean Anderson led prayer. Miss Barnes told a story about missionaries in Colorado and led the group in making a "New Neighbors" chart. The children discussed this portion of the country, using a large map, and Margaret Yates led prayer.

Refreshments were served to Donald Mayes, Johnny Smiley, Gary Lewis, Denise Whitson, Robin Smith, Christine Smith, Allen Newberry and a visitor, Linda Hammond.

Neumann Waggoner, son of Mr. and Mrs. Bryan L. Waggoner, 1923 Cleveland blvd., has returned from California to live with his parents. He was recently released from military service and spent a short time in California, vacationing before returning home.

UNDERGOES SURGERY
Mrs. Pauline Squires, 2433 Edwards street, is recuperating at St. Elizabeth Hospital from major surgery which she underwent Tuesday morning.

The Friendship club met Tuesday evening at the home of Mrs. Harriet Phelps, 2033 Iowa street, with ten members and one guest, Debbie Howard, present.

The evening was spent at games, and prizes were awarded to Marcella Coleman, Dot Shepley, Ann Schubert, Juanita Dugan, Beverly Adams and Debbie Howard. Others present were Mrs. Vera Green, Virginia Mark, Brenda Dutton, Mrs. Evelyn Smith and Lowell Phelps.

DODGE DART-A LOT OF CARS-AT A LOW PRICE

FARRINGTON MOTORS, INC.

A Leg of Lamb Serves Double Duty

Add intrigue to your winter meals with lamb's delicate flavor and tenderness. When planning your menu with this meat let it play a double-duty role. For example, a 3 to 4 pound leg of lamb will serve a family of four with enough "planned-over" for a second meal. Follow this advice:

Roast the meat, first, and serve with a tempting glaze. Combine canned condensed consommé with peach preserves. Use this mixture as a basting over the meat during the last hour of cooking. At serving time, you need only to thicken the glaze sauce, which has blended with the meat drippings, for a wonderful "serve-with."

With the "planned-over" lamb, stuff acorn squash for a second feast.

Split squash; remove seeds and fiber. Brush inside and edge with butter; sprinkle with salt and pepper. Bake cut side down in

shallow baking dish (18x9x2") at 400° F. for 35 minutes. Meanwhile, in saucepan, cook celery, onion, rice, garlic, and fill in butter until rice is browned and celery is tender, stirring now and then. Add water and salt; bring to boil. Cover; cook over low heat 25 minutes or until water is absorbed. Stir in soup, lemon juice and lamb; fill squash with mixture. Bake an additional 20 minutes. Makes 6 servings.

LAMB STUFFED ACORN SQUASH
3 medium acorn squash
Salt and pepper
1/2 cup dried celery
1/2 cup chopped onion
1 cup rice
1 medium clove garlic, minced
1/4 cup (10%) condensed tomato soup
2 teaspoon lemon juice
1/2 cup finely chopped lamb

OFFICERS INSTALLED

New trustees were installed at the Mitchell Presbyterian Church Sunday morning by the pastor, Rev. John Digiacom, during the worship service. They were Mrs. Joseph Mercer, Mrs. Mary Lou Ewing, Mrs. Laurabeth Wittkamp and a guest, Mrs. Irma Cotter.

TEEN TOWN TO MEET

The first meeting of the new year of the Mitchell Teen Town will be held Friday at 7 p.m. at the Mitchell school gym. Membership registration will be held following the meeting.

All interested teenagers are being urged to attend. Dues will be \$1 a year. John Sanda, the director has announced.

MRS. COTTER HOSTESS

Mrs. Joann Cotter, 603 English place, was hostess to the Night circle of the Presbyterian Women's Organization Monday evening. Mrs. Mildred Sudham, leader, was in charge.

The session was from the Book of Romans. Others present included Mrs. Martha Katzman, Mrs. Nancy Mercer, Mrs. Mary Lou Ewing, Mrs. Laurabeth Wittkamp and a guest, Mrs. Irma Cotter.

Mrs. Mae Hawks, postmaster of the Mitchell post office, is a patient at DePaul Hospital, St. Louis, undergoing treatment.

Mr. and Mrs. Robert Miller and family of Mount Vernon, Ill., and Richard Miller of Belleville were guests of Mrs. Elizabeth Miller of Margaret avenue Sunday.

Mr. and Mrs. L. J. Jones and Mrs. Belle Dodson have returned from Dixon, Mo., where they were with Mr. and Mrs. John Jones, and from Decatur, where they spent the weekend visiting Mr. and Mrs. Bill Weigand and daughter.

The Monday Night Nine met for the first time at the home of Mrs. Helen Everts this week.

Those present were Margaret Dake, Dorothy Johnson, Maxine Compton, Pat Braman and Ruthanne Weiler.

The meeting started with an election of officers. Those elected are: treasurer, Margaret Dake; secretary, Helen Everts; vice-president, Pat Braman; and president, Ruthanne Weiler.

There was a discussion on rules and a name, for the new club, followed by several games and refreshments.

The next meeting will be held at the home of Dorothy Johnson Feb. 3.

Cub Scout Pack Four committee members met Tuesday evening at Logan school with a guest, Ed Stone, district representative.

There was a discussion on whether to have a rocket or pinewood derby race. It will be voted on at the next monthly pack meeting. The rest of the time was devoted to work on the pack's charter.

James Brantley was named institutional representative.

Committee members present were Chairman Herbert Davis, Culmaster James Reynolds, Treasurer Gerald Lewis and den mothers, Madeline Rosemary Lewis, Nona Harris and Mabel Carter.

Huber Joins Board Of Trust Bank; New Services Cited

The annual meeting of stockholders was held yesterday at Granite City Trust and Savings Bank. In his report to the stockholders, president Ernest Karandeff pointed out considerable increases in the bank's activities for 1963.

He attributed this to a general increase of business activity in the Quad-City area and to the introduction of new and extended services of the bank.

Homer Huber, president of the Feder and Huber Furniture Co., was elected to serve on the bank's board of directors. He resides at 4121 Maryville road and is a former director.

Retiring from the board is Alfred Walcher, who had served as a director for 11 years.

Directors remained were Roy C. Barney, William Brockus, Ernest A. Karandeff, Henry D. Karandeff, John McBride, G. H. Sternberg and M. D. Walston.

Officers Re-Elected

Re-elected as officers were: Henry D. Karandeff, board chairman; Ernest A. Karandeff, president; Elmer A. Hurry, cashier; Barry Loman, vice president; Allen Jones, vice president; John J. Polson, assistant vice president; Anthony J. Zedok, assistant vice president; Joseph Duam, assistant cashier; William C. Evans, assistant cashier; Elmer Rittenhouse, assistant cashier; Jerry W. McPherson, assistant cashier; Paul W. Niles, assistant cashier; Donald B. Hayes, trust officer; Robert J. Hildebrand, assistant trust officer; and Gordon J. Hoener, public relations officer.

Commenting on the bank's growth, President Karandeff said the bank had grown from a very small institution it was in 1910 to the present "full service bank."

Half-Century Of Service
He said, "Our bank today offers a wide range of services, a type of financial service it is literally a 'financial department store.' As we move we

HOMER HUBER, who was added to the board of directors of the Granite City Trust and Savings Bank at its annual meeting yesterday.

into our second half-century of service, we are still looking for newer and better ways to serve our customers.

"Typical examples are our expanded trust facilities and our most recent new service, One-Check Payroll, which is a real aid to industries, business institutions desiring simplification of their payroll processing."

"Included in our 1964 schedule of projects is an increased program of research. We will endeavor to find ways of making the bank even more helpful to our customers and make banking easier and more pleasurable."

"These things, plus our very real fortune to have an exceptionally capable team of bank personnel, make our prospects for the future look very bright."

"Our goal for the coming year is the same as it has been in the past—service. We are in business to serve... to serve those many fine people, our customers, whose loyalty has built our bank."

GC Council Approves \$9770 Bills, Payrolls

The Granite City Council Monday night approved city bills totaling \$9770, the city payroll of \$32,215 for the first half of January, town fund bills of \$1163 and township general assistance bills of \$4385.

Also approved was the city auditor's report for December showing receipts of \$13 and expenditures of \$30.

Financial reports by Nelson Hagnauer, township supervisor, showed a general assistance fund balance on hand on Dec. 31 of \$12,204, after payment of \$8448 in disbursements, and a town fund balance of \$15,905 after issuing \$2407 in checks during the month. A relief fund reimbursement during the month.

Half-month salaries payable from the town fund include Hagnauer, \$162; Assessor Von Dee Cruise, \$300; and Margaret Hornberger, clerk, \$220. From the general assistance fund, salaries listed were Dorothy McCormick, caseworker, \$162; Kelly cookkeeper, \$150; Bernadine Hagnauer, clerk - typist, \$137; and M. Reznack, janitor service, \$45.

HIGHWAY CRASHES TOOK HEAVY TOLL IN AREA DURING PAST YEAR; 2% OF STATE TOTAL

41 Fatalities Include 25 Quad-City Residents

With Illinois returning to the 2000 fatality level in 1963 for the first time since 1957, increasing attention is being focused on driving hazards and what can be done to reduce them as much as possible.

While representing only 2% of the statewide total, traffic deaths in this area showed a just ended, topping all previous years back to 1954, when there were 44 fatalities.

A tabulation of Quad-City, county and state records tells the story of the street and highway mishaps that took such a heavy toll of lives during 1963.

Although fatal accidents with- in local city limits were more numerous than usual—eight—an even larger number of victims—ten—met death on Route 67a and Route Three north of Granite City. There were five Granite City fatalities, two in Venice, one in Madison and three in the Mitchell-Granite City rural area.

Three fatalities each were recorded on Route 67 south of Madison and the McKinley Bridge. There were four on Route 162 east of Granite City. Others in the grand total of 41—which includes Quad-City—were on Route 111, one on Route 157, one in East St. Louis, one in St. Louis, two elsewhere in Missouri and three in distant points of Illinois.

Of the victims, 25 were Quad-City residents—Granite City 13, Venice two, East Madison one and Mitchell and the Granite City rural area, nine. The other 16 were from out-of-town—St. Louis five, East St. Louis three, Edwardsville and its rural area, two and one each from Collinsville, Wood River, Troy, Fairmont City and Staunton, Ill., and Hannibal, Mo.

Thirty were adults—14 in their twenties, four in their thirties, five in their forties, six in their fifties and one in his sixties. Of the 11 others, one was two and a half years old, another six years old and another was nine, one 10, one 11, one 14, one 15, one 16, one 17 and one 18 years old.

A listing of the past year's traffic victims follows:

Feb. 3—Mrs. Beatrice Goss, 38, of 205 Broadway, Venice, passenger in auto that left Route Three at a curve at the Venice-Brooklyn city limits and hit a tree.

Feb. 7—Melvin Cobb, 40, of Hannibal, Mo., driver, killed in auto-train crash at Edwardsville road crossing near East 13th street.

Feb. 15—Adele Gordon, 56, St. Louis, driver, killed in head-on auto collision at the Venice-Brooklyn city limits and hit a tree.

Feb. 21—Robert E. Mouser, 17, Rural Route One, driver, David McChesney, 15, Rural Route One, his passenger, and Mrs. Lucy Pittman, 40, East St. Louis, driver, killed in a two-car collision at a former levee dump on Route 67a three miles north of Granite City.

Feb. 23—Gerald Wilkey, 39, driver, killed in auto-train crash at Edwardsville road crossing near East 13th street.

Mar. 12—Robert Wayne Leonard, 10, of 4548 Highway 162, killed when his bicycle was hit by an auto on Route 162 near Stallings grade school.

Nameoki Township Relief In 1963 Totals \$41,472

A total of \$41,472 was spent for relief in Nameoki township during 1963, Harry Briggs, supervisor, announced this week.

Costs in December totaled \$3699, involving 41 cases and 131 persons.

This was an increase over November, when there were 42 cases with 145 persons, costing \$3410. In December 1962, 45 families containing 136 persons received aid totaling \$3569.

Fifty-seven Quad-City residents are to report tomorrow to the Selective Service office at Edwardsville for pre-induction physical examinations to be given in St. Louis.

Ten men from the area scheduled to be drafted into the armed forces on Jan. 31, the Selective Service office announced.

Elsewhere in the county, 19 Edwardsville area men are to be drafted. Forty more from Alton are to report for pre-induction physicals on Jan. 24.

Time For Change In Engineers Long Overdue

Granite City aldermen took an extremely sound step this week in placing on first reading a plan by which council committees would interview qualified candidates and submit recommendations to the mayor on appointment of a city engineer.

Responsibility To Schools
Judged by this standard, the session could be called satisfactory. The council's action was a simple one. The federal government accepted responsibility for public school systems with a major transfer of federal funds.

One bill provided for a grant-in-aid program of loans to students in the health field and a third bill authorized a \$12 million grant for construction of public and private higher education facilities of all types—a total of some 200 colleges and universities being eligible.

A third bill authorized a major new program of vocational education to be administered by the area of which in the past has been considered "vocational." This program is designed to enhance the development of livelihood skills among our people; it recognizes that modern technology are changing the nature of job opportunities, that many and more training is needed on such a program.

Nuclear Test Ban
In addition, the Senate ratified the limited nuclear test ban treaty negotiated under President Kennedy's initiative.

It may prove a permanent Kennedy contribution, for the treaty gave the first glimpse of a future in which the constant threat of nuclear war might be lifted.

Each session of Congress must be judged by its record. In dealing with a variety of issues, some relatively small, or least limited in scope, the Senate has shown a keen sense of the need to think that one of the significant tests is the care and attention paid to the nation in time of war.

Benefits For Veterans
The recent session passed a number of bills in this field, but very carefully drafted to forestall abuses that might result from the bills that are significant to those needing them.

One measure, for example, permits veterans to elect a new modified insurance plan with lower total premium costs and change for lower benefits after age 65. The cost is lower and the benefit higher when the veteran has the greatest need to protect his dependent children.

Other measures provide increased benefits to veterans suffering from total speech loss or service-connected deafness. Another increases burial benefits and allowances to children and dependent parents of deceased veterans. Another allows the payment of burial when a veteran's discharge is legitimately changed from dishonorable to other than honorable.

These bills are limited in scope. But they show a humane consideration of need. I do not consider them unimportant.

The Congressional Record of Dec. 2 carried a summary of activity through Nov. 30.

The various committees of the House had studied and reported—that is, given approval to—360 measures originating in the House and 61 originating in the Senate. Senate committees had reported 258 measures of Senate origin, 152 of House origin.

Both Houses had completed action on 189 public bills affecting the general public interest as distinguished from private bills for the relief of a dividend inequity or as hardship cases under the immigration laws or claims against the government.

Many Bills Passed
A grand total of 812 measures had been passed by the Senate and 659 by the House; these figures include bills, joint resolutions, concurrent resolutions, and what are called simple resolutions.

There were 35 roll calls in the House, calling a majority to stand up and be counted on

Chance To Elect Outstanding Men As Levee District Trustees

Now that the Quad-Cities have been given "home rule" in determining their two representatives on the East Side Levee and Sanitary District board, it is essential that this community merit the confidence shown by the state legislature; it must choose outstanding candidates in the April primary election. If both parties select good nominees, the November results cannot help but be favorable.

Granite City, Madison, Venice, Nameoki township and Chouteau township citizens should devote extensive thought and study to the issues and the individuals.

Long unhappy with the questionable procedures followed by levee officials hand-picked in St. Clair county, the Quad-Cities now have a chance to raise the level of levee policies, a direct opportunity to elect men of proven integrity and loyalty to two trustee positions.

The dissatisfaction with levee policies and spending will have a positive rather than a negative effect only if local voters live up to their responsibilities this year.

Increase In Construction Activity Likely In 1964

The \$300,000 increase in Granite City construction during 1963, combined with continuing development of Madison, Venice and rural areas, is encouraging. It took place during a year in which extensions to the outer perimeter of the Granite City sewer system remained at a state ban.

With prospects bright for lifting of the order early in 1964, it seems probable that the extent of residential, commercial, industrial and other building projects will surpass the current yearly level of \$4½ million.

Stimulated by the state authorization, construction activity should not only contribute materially to the local economy by itself, but also generate a brisker pace in related fields.

Studies Made In Illinois Aid To Evidence Favoring Fluoridation

Tests have been held in many parts of the nation to show how safely and effectively water fluoridation reduces future tooth decay. Now, reports are beginning to arrive on similar studies conducted in Illinois—not locally, of course, partly due to the continued inaction by Granite City aldermen nearly three years after an overwhelming public vote favoring fluoridation.

Comparison of Aurora, which has the recommended amount of fluoride in its water, and Rockford, which does not, shows 50% less tooth decay among the adult population of Aurora. In other words, Rockford, which does not enjoy the benefits of fluoridation, has twice the problem in terms of decayed, filled and missing teeth, and the resulting dental bills are suffering.

It is true that fluoridation is most effective when started early in a child's life, preferably before he is born. But evidence shows that benefits are felt throughout life. Only 2% of Aurora residents over the age of 20 are devoid of their natural teeth, compared to 14% in Rockford.

The Quad-Cities, unfortunately, are following the Rockford pattern, rather than Aurora. How much more needless pain and expense must be experienced before the local governing body ratifies the action already taken by voters?

Our affairs, in summary, have been conducted prudently and effectively and, under present conditions, our effectiveness may be expected to continue.

The "deficit" from the deficit in the balance of payments has been sharply reduced. Our budget has not been balanced, but the answer is being sought through measures to get the jobs back on work—restore our export active, vast earning tax-paying jobs in our economy.

New Concepts
The record of three sessions of Congress with its state president, has been a record of a new concept of job responsibility and minimum wages, a new concept of foreign trade expansion, a vast new upturning of investment in education at every level from elementary school to the college and graduate schools.

The statement that characterized the national defense program, President Kennedy has been broken.

We are moving forward to the security and well-being of our people a quarter-century from now.

Each session that served with the late president had a productive record, but do think our people could share a sense of accomplishment of moving forward.

This session met, for the past month, under the shadow of the assassination of President Kennedy. The impact was as shocking inside the government as it was outside.

The brutality of the deed contributed to the horror at the time. It was a tragedy.

President's Proposals Live On
The nation will not soon forget the bright light of President John F. Kennedy in the White House.

He brought a courage, a spirit of initiative, a gaiety and one that strengthened the hearts of many. He was a leader.

He was a man of vision, a man of ideas, a man of action. He was a man of courage, a man of conviction, a man of faith.

He was a man of peace, a man of justice, a man of love. He was a man of hope, a man of faith, a man of belief.

He was a man of greatness, a man of glory, a man of honor. He was a man of power, a man of influence, a man of respect.

He was a man of wisdom, a man of knowledge, a man of understanding. He was a man of compassion, a man of mercy, a man of grace.

Speech students of Community high school captured three of our first places, for a second and a third in a public speaking contest held Saturday at Brentwood, Mo.

Contestants came from University City, Webster Groves, Maplewood, St. Louis, Jennings and St. Charles, Mo. and Granite City.

First places were won by Richard King, who took two events, and Georgia Trotter, Joseph Brunner, won two second places, with Kenneth Fijan and Elmer Hammerman winning an eleventh prize. The principal trophy was won by third place in the contest.

The speech students are under the supervision of Miss Mary Blackburn, English instructor and dramatic coach at the school.

Horace Meadows was re-elected president of the Commercial club at its regular monthly dinner meeting held Thursday night at the YMCA.

Several newly-elected officers are William Huxel, vice-president, and John F. Berger, secretary. The principal trophy was made by attorney Joseph Steele.

St. David's Auxiliary held its regular meeting Thursday evening with Mrs. John Morgan of State street acting as hostess.

Eighteen members attended and after a business session there was entertainment. Mrs. Arthur Kennedy won a prize at the meeting.

The business meeting of the American Legion Auxiliary took place Friday evening at the Legion Home.

Mrs. Catha Hegel was in charge and plans were made to sponsor an orchestral concert for the students of the high school.

"The Privileges and Responsibilities of United States Citizenship" was the subject of the evening.

Prize for the evening went to Mrs. Eretta Breckenridge. The regular social meeting of the group will be held Friday, Jan. 20.

Following the usual mid-year recess last week was held at the home of Mrs. Harry Anderson, 2317 Cleveland boulevard, with all club members present. Tallies were written for eight and Mrs. Anderson, Mrs. James Newman and Mrs. W. H. Troyer excelled and received favors.

Mrs. J. T. Schill has invited the group to meet with her in two weeks.

Miss Nina Helen Tarr was a class hostess at the holiday party, which was held at a home on State street, Honors guests Kathryn Wedekind, Mrs. Alvin Cove and Miss Mary Alleen Tarr.

Mrs. Grace Strumph and Miss Ethel Humphrey were co-hostesses at a dinner party Saturday night at their home on Cleveland boulevard. Games were played and a midnight lunch was served following the games.

The Marcella club party was held Thursday afternoon at the home of Mrs. William Johnson on Iowa street.

Mrs. Corbett Vogler and Mrs. August George, the latter of St. Louis, secured the favors. Lunch was served following the games.

Other Roads, Bridges
The 1964 highway program also provides for extensive work on non-interstate roads. Scheduled projects call for the improvement of 463 miles of highway, including 123 miles of new construction, and resurfacing or improvement of 339 miles of existing pavement.

Also scheduled are construction of 69 bridges and reconstruction of 37 grade separations.

Work on non-interstate highways has been set up on a priority basis, as determined by the Federal Highway Administration, to meet the needs for the various parts of the state.

Work on the many construction projects, a substantial sum of money has been reserved for the acquisition of right-of-way for both interstate and non-interstate highways, so that future construction programs can proceed with a minimum of delay.

political bureaucracy, and fast, we will wind up behind the eight ball, the same as the Soviet Union did under the Marxist regime; our American dollars will fall to the past value of Russian rubles.

We are playing Russian roulette with our future destiny. Politicians are daily expelling our God-given American privilege violating the laws of God to fulfill their own selfish desires at the expense of human misery.

Our institutions and ceremonies are being filled with loved ones who no longer are loved ones. They are burdens of an equal way of life.

Too many politicians are power-hungry millionaire playboys. The daily problems of the working class are foreign to them. There are only 10 things we are money to stimulate the economy.

PETE, THE PELICAN, a tropical fish eater which found an easy life at the Horseshoe Lake fish market. The pelican is displayed by Howard "Tex" House, proprietor of the market. Pete is four feet tall, has an eight-foot wing span and weighs 18 pounds.

At Fish Market

Pelican Found At River Has Happy Home Here

A large, fish-eating bird which wandered far from its natural habitat has found a well-provisioned home on the banks of Horseshoe Lake.

It is a pelican, which commercial fishermen found floating on an ice floe on the Mississippi River near here. It was nearly frozen to death.

They found it a home at the Horseshoe Lake fish market off Highway 162, where Howard "Tex" House, a proprietor, agreed to become its caretaker. The fishermen and House sur-

mised that the bird came up river from the New Orleans area on a tow boat and finally decided to embark on the ice when temperatures became more frigid.

House named the bird "Pete the Pelican." Pete, now fully recovered, does not have to worry about where his next meal is coming from.

He can afford to be choosy, too, and refuses scraps. He will eat only a whole fish and will swallow a fish weighing up to a pound. The change in diet from salt water to fresh fish apparently has had no effect.

The pelican, whose "beak" can hold more than his belly can, appears friendly around humans, but likes to peck at a pet dog around the market.

House and his wife wonder what might happen if they matched him against a two-year-old alligator they keep in a tank. The alligator is mean, they say, but the bird is a lot bigger—four feet tall, eight-foot wing span and a weight of 18 pounds.

At any rate, Pete's eyes can gaze in delight at tasty live morsels which range up to 40 pounds in a nearby tank.

'64 Chevrolet Impala Sport Sedan and (background) Impala Convertible

'64 Jet-smooth Luxury Chevrolet

What does it take to make a car a great highway performer?

If the car happens to be a '64 Chevrolet, one thing only: A highway.

You'll find everything else already neatly packaged for you—on the car exactly as you pick it off the showroom floor.

There's a choice of seven engines—all the way up to a twin-carb high-compression 425-hp V8—and four transmissions, including a finely honed 4-speed stick shift. And underlying it all—a hump-skinning Jet-smooth ride that helps keep the performance great even when the highways aren't so great.

What about special performance equipment? Professional driving skills? Forget them.

Nobody has to doctor or coax or soup up these Chevrolets to get the best out of them. They were built to be driven by you—on the kinds of roads you drive on. And that's really the test of a great highway performer: Just about anyone can get a kick out of driving one, just as it comes out of the showroom.

Which, after all, is the kind of performance you'd expect from Chevrolet. The greater satisfaction and enjoyment built into these cars is borne out, year after year, by the higher resale they bring over other makes in their field.

Next time you're out your dealer's way, allow a few extra minutes to sample one of these highway performers on your own. A few are really all you'll need. That's enough time to do a lot of driving in a Chevrolet.

3 GC Boy Scouts Will Advance To Eagle Scout Rank

Three Granite City Boy Scouts will advance to the rank of Eagle Scout at a court of honor to be held at 7:30 p.m. next Wednesday at the Trinity Lutheran school gym in Edwardsville.

They are John Kozak, son of Mr. and Mrs. William Kozak, 3141 Felling road; Donald Kary, son of Mr. and Mrs. Alex Kary, 2263 Iowa street; and Charles McMillan, son of Mr. and Mrs. Earl McMillan, 3280 Wabash avenue.

Kozak is a member of Niedringhaus PFA Troop 12 led by Fred Hacke. Kary is a member of St. Joseph school Troop Seven led by Alex Kary, his father, and McMillan is a member of Eagles Aerie Troop 13.

The court is being held to honor those scouts and explorers in the Cahokia Mound Council who have attained the rank of Eagle Scout since last June. Advanced scouts and explorers will participate in flag ceremonies, and all units are being asked to bring their American flags. Invited to the ceremonies are friends and relatives of the scouts and members of all scout units. Jack Friedman is council advancement chairman.

TAP KING, QUEEN candidates at Venice high school for a coronation at a dance Friday night to benefit the polio foundation. The students, starting at the left foreground, are Barbara Kutz, Richard Essington, Terry Cooper, William Geiz, Paul Svezia, Barbara Manier, Dorothy Wilkinson and Diane Wilcox.

TAP King, Queen To Be Crowned At Venice High

A Tap-king and queen will be crowned at a sixth annual Venice high school dance to benefit the polio foundation at 8:30 p.m. Friday in the school gym.

The winners will be determined by the annual contributions each candidate attracts. Jars containing the names of the candidates will be on hand until 8:30 p.m. at the dance, and each penny donated will represent a vote. Last year, along with admissions, the fund totaled \$75. Candidates are Freshmen Richard Essington and Barbara Kutz, Sophomores Terry Cooper and

Barbara Manier, Juniors Bill Geiz and Diane Wilcox, and Seniors Paul Svezia and Dorothy Wilkinson.

The dance is sponsored by the publications staff, composed of eight girls. It will continue from 7:30 to 10 p.m. and will be limited to Venice high school students and their approved dates.

Master-of-ceremonies for the coronation will be Marilyn Gonterman, co-editor of the "Hijinks."

The theme will emphasize the new year and its opportunity for medical research to find preventives for crippling diseases.

Science Award At Madison High Goes To Phil Fraundorf

Phil Fraundorf, top science student at Madison high school, will be the recipient of the Bausch & Lomb honorary science award medal.

Francis Dant, principal, said he is eligible to compete for the annual science scholarships sponsored by Bausch & Lomb at the University of Rochester.

Fraundorf, son of County Sheriff and Mrs. Barney Fraundorf, 2021 Rhodes street, Madison, is vice-president of the senior class, is on the school yearbook staff and is a member of the National Honor Society and the student council.

His principal noted that the award is presented to the graduating student in high schools throughout the nation who has the best record in science studies.

Since its introduction in 1932, there have been 170,000 winners. Surveys indicate that about one-third of this number have been encouraged by the award to attend college and follow scientific careers.

Only winners of the honorary science award are eligible to compete for the Bausch & Lomb science scholarships. Students of Rochester scholarships are also available to Bausch & Lomb finalists. About 10 scholarships are awarded each year.

The scholarship committee studies all applications and selects 10 of the most promising candidates as finalists. These students are notified five in February and are invited to Rochester for three days, early in April, with all expenses paid, for interviews and competitive tests.

A booklet on the test is available from the National Merit Scholarship Corp., 1580 Sherman avenue, Evanston, Ill.

Koenig Earns Degree
William A. Koenig, son of Mr. and Mrs. V. H. Koenig, 2538 Sheridan avenue, is among 22 students at Central Methodist College, Fayette, Mo., who will be candidates for bachelor's degrees at the end of the fall semester on Jan. 17. He will receive the degree of bachelor of science in education. The degree will be awarded at the commencement exercise in May.

Explorers Registering For Summer Activities
Explorer posts in the Quad-City area are being asked to make their reservations now for their superactivity for 1964 with the Cahokia Mound Council service center.

Reservations are required for the Philmont, N. M., scout ranch, Region Seven and 10 canoe bases and Ozark river trips. Fifteen starting dates in June, 1964, are being accepted at the Philmont are closed.

Circuit Minister Visiting Congregation

Visiting the Granite City congregation of Jehovah's Witnesses this week are Mr. and Mrs. Addison L. Abernathy.

Abernathy, formerly of Table Grove, Ill., has been in the full-time ministry of Jehovah's Witnesses since 1948. He has served ministerial assignments in parts of Illinois, Iowa, Pennsylvania and Minnesota.

At present he serves as circuit minister in Illinois Circuit No. 6, visiting 17 congregations throughout this area. Mrs. Abernathy, formerly of Canton, Ill., accompanies her husband in his ministerial duties.

Francis Clanton, presiding minister of the Granite City congregation, announced that the week's program began Tuesday evening with the Ministry Training School. On Saturday at 8 p.m., a program with audience participation and discussion will be conducted.

The week's visit will be highlighted with a public discourse, "Building a Happy Human Family," to be delivered by Abernathy at 3 p.m. Sunday.

During the week's visit, each day will be devoted to field missionary work as well as making calls on definite appointments which have been arranged for the week's visit. Mr. and Mrs. Abernathy will be accompanying members of the local congregation.

All meetings for the week will be held at the local Kingdom Hall, 1126 Madison avenue, Madison. The public is being invited to attend.

Auto Strikes Tree

An auto driven by Cecil R. Newcomb, 26, of 610 Niedringhaus avenue struck a tree at 1711 Delmar avenue at 1:50 p.m. of Paris, Ill. The car was damaged. The steering mechanism failed. The driver of the car was not injured.

CONDUCTING MEETINGS FOR Jehovah's Witnesses this week are Mr. and Mrs. Addison Abernathy, formerly of Table Grove, Ill. The services are held at the local Kingdom Hall, 1126 Madison avenue.

Mitchell Kiwanis Officers Installed

Seven members were present as the Mitchell Kiwanis club met Monday night for its weekly meeting at Art and Norma's Cafe.

Officers for the year were installed at the meeting: Gene Durrett, president; Roy Green, secretary; Francis Richardson, treasurer; Golden Burton, first vice-president; and Everett Haven, second vice-president.

The new president appointed committees for the coming year, and plans were discussed for having a "ladies' night" every two months.

Farm Column

By IRUMAN W. MAY
Madison County Farm Adviser

Moderation should be the watchword for hog producers in 1964, a University of Illinois livestock marketing economist suggests.

Here is how Elmer E. Broadbent sees the 1964 hog market. Prices may be a little higher, feed costs will probably hold their own or decline slightly, and total red meat supplies will probably reach another all-time high.

This is not the year for the swine industry to launch an expansion program. Neither is it the time to cut back heavily from normal operations.

Hog prices cannot be insulated from the effect of increased tonnage of red meats and poultry meat. Red meat consumption increased six pounds during 1963 and will probably rise another two pounds in 1964. Increased beef supplies accounted for most of this meat increase.

The trend toward increased supplies of poultry meats will probably continue. Increased tonnage of all meats will have a moderating influence on all meat prices.

Cost Prospects

Meat production should be increased without considering feed supplies as in 1963, with some moderate increase in proteins and an offsetting decrease in corn prices. Corn will probably move at lower prices than in 1963 because of the 13-cent loan rate of \$1.07 a bushel.

Hog prices will probably continue weak and remain near November and December prices through the next two months.

Two-Car Collision

Autos driven by James R. Brimm, 25, of 2606 Denver street and Anthony J. Bonmarito, 18, of St. Louis, were involved in an accident at 6:50 p.m. Monday at West 20th street and Missouri avenue. The right side of the Brimm car and the right front of the other auto were damaged.

Large Window Broken

A large plate glass window on the side of the Yelton Supply Co. building, 20th and Adams streets, was broken with a large soda bottle. It was reported to police at 8:10 a.m. Tuesday by Mike Day, an employee of the store.

The prototype of all tanks was the "Little Willie" built by William Foster and Company, Ltd., of Lincoln, England, and first tested in September, 1915.

Outdoor Water Tanks

If you water your livestock outside, make sure the tank is protected from icy, wintry winds.

It is cheaper to use oil, gas, coal, or other suitable fuel to warm water before the animals drink it than to use high-priced feed to warm it after they drink it.

The annual St. Clair-Madison-Monroe Vegetable Growers' Association school will be held at the association hall near Caseyville Jan. 28 and 29. All commercial vegetable growers and interested home gardeners are invited, along with any people connected with the vegetable industry.

The annual meeting of the Illinois State Vegetable Growers' Association will be held in connection with the school.

Most of the speakers are staff members of the College of Agriculture, University of Illinois. Printed programs will be mailed to vegetable growers and will be available at the farm adviser's office.

Noon dinner will be served both days by wives of the association members.

Two TV Sets Among Loot

Two portable television sets valued at \$140 each were taken in the burglary at the B. F. Goodrich Tire Co., 2265 Edison avenue, early Monday. It was reported to Granite City police following an inventory later in the day.

Treated For Burns

Mrs. Lorena White, 33, of 2712 Dale avenue was treated at 8:40 p.m. Monday at St. Elizabeth's Hospital for first-degree burns to her face and left arm when the furnace in her home exploded. She was released after treatment.

St. Louisian Arrested On Spear Gun Threat

Freddie R. Baker, 27, St. Louis, was arrested at 8:50 p.m. Monday by Granite City police on a charge of unlawful use of weapons. Police said a witness alleged a threat to shoot someone with a spear gun, of the type used by skin divers. He was arrested at 2025 Iowa street after police received a report of a disturbance.

Circuit Court Case Load Shows Increase

A total of 1886 cases was filed in Madison county circuit court during 1963, an increase of 234 over the previous year, according to records in the office of William Portell, circuit clerk at Edwardsville. Included were 1065 law cases and 821 chancery cases. In 1962, 1645 law cases and 708 chancery cases were filed.

State Liquor Commission Studying Local Cases

(Special from Springfield) Two cases involving Quad-City establishments were taken under advisement this week by the Illinois Liquor Control Commission. James S. Miller, representing the Tri-City Disabled Veterans, 1419 Nineteenth street, testified Monday that a federal gambling stamp was obtained for a pinball machine, which has since been removed. Possession of the stamp violated Rule 20 of the commission. In considering a Retailers' Occupation Tax citation against Mable Smith, 718 Club, 715 Main street, Venice, the commission was told Monday that the case had been settled. Both hearings had been continued from Dec. 2.

one of the two Quad-City positions on the East Side Levee and Sanitary District board, it was learned this week. Endorsements are to be considered during a meeting of the Madison city organization next Monday evening.

Directors will be elected at a meeting of the regular board meeting of the CYS, a United Fund agency, at 7:30 p.m. Tuesday in the CYS office in the city hall.

Parking Meter Receipts In 1963 Show Slight Decline

Receipts from Granite City parking meters in 1963 were down for the second straight year. The total for December was less than in December a year ago and less than November 1963.

A total of \$38,313 was collected last year from the meters, as compared to \$39,244 in 1962. In December receipts of \$2841 were recorded, a drop from \$2933 in December 1962 and \$2946 for November.

A factor in the decline in receipts is believed to be the opening of the free downtown parking lot at 18th street and Edison avenue.

Last year, \$2641 was collected

in fines on overdue meters. This was an increase over 1962, which saw 2237 collected in meter fines. In December, only \$33 was collected in fines as compared to \$64 a year ago and \$164 in November 1963. Police were provided by downtown merchants with courtesy tickets to put into overdue meters. They deposited 8000 of the tickets last month.

In December, the daily average of \$106 in receipts was lower than the \$121 average for December 1962 and the \$123 average in November. For the year, in the 305 days they were in use, the meters averaged \$125 per day, as compared to \$128 in 1962.

Custodial Job Open At GC Post Office

Applications for a job as custodial laborer at \$4010 a year or \$1.95 an hour at the Granite City post office are being accepted by the U. S. Civil Service Commission. Necessary forms may be obtained at the post office or from the Board of U. S. Civil Service Examiners, Post Office Department, Springfield, Ill., 62701.

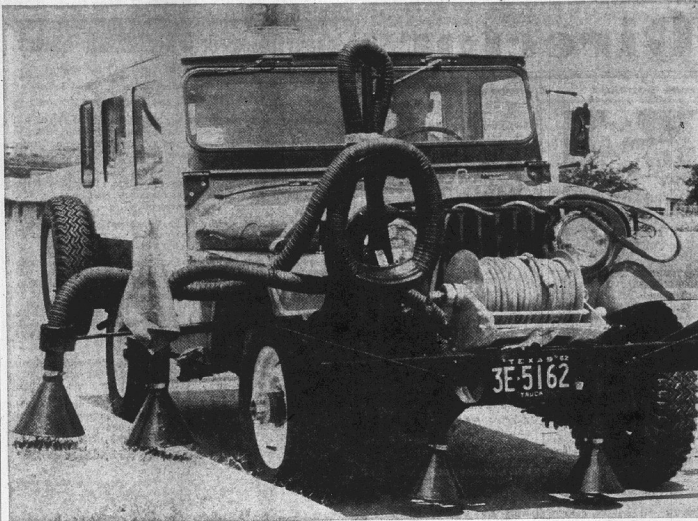

Applicants must be residents of the delivery area of the post office and be entitled to veteran preference. Applications will be accepted until further notice, but those filed on or before Jan. 20 will receive first scheduling for a civil service examination. Some positions may also be filled at \$1.77 an hour.

Firemen Help Boy, 1½, Cough Up Wheel

A small boy swallowed a wheel from an electric train on Monday, but he coughed it up when firemen pounded on his back.

West Granite firemen received an inhalator call to the home of Mr. and Mrs. James Tadlock, 2602 Cayuga street, where they were successful in removing the wheel from 1½-year-old Gary Wayne Tadlock.

Since the boy's throat was injured and there was a small amount of bleeding, he was taken to St. Elizabeth Hospital, where he was treated and released.

OCTOPUS-LIKE VEHICLE which has been hired by Illinois Power Co. to make a routine survey of its gas mains in downtown Granite City without digging. Work will begin Jan. 10 in the evening and early morning hours to minimize traffic interruption.

Gas Mains To Be Checked At Night—Without Digging

Don't be alarmed if you are downtown late at night and see a strange-looking vehicle that could pass for an octopus on wheels.

It is a collection of highly-specialized electronic equipment which Illinois Power Co. has hired to make a routine check on downtown gas mains without digging. It will be in the Quad-Cities beginning tomorrow.

The device will be operated by personnel from Illinois Power Co. and the Rayflex Exploration Co., owner of the vehicle. It will be in 20 communities served by the utility three times this winter, including Granite City.

During the three-month period, it will log approximately 500 miles.

Charts Condition Of Main

The tentacle-like tubes attached to the body of the converted jeep extend to the right or left of the vehicle or may be positioned directly in front, depending on the location of the main. At the end of the tubes are a "smoke" which are placed close to the ground above and adjacent to the main. As the vehicle moves, a pen traces a picture of the main's condition on a moving chart.

The utility's decision to use the unique equipment follows testing in several locations last year. The Rayflex system is an improvement over old methods in which the pavement was drilled, causing traffic interruptions.

Under the new method, motorists need only pass the slow-moving survey vehicle, which is equipped with an amber warning light.

All work will be done at night when traffic is at a minimum, except in smaller communities.

Nameoki Township Hires Three As Deputy Assessors

The Nameoki township board of auditors approved appointment of three deputy assessors to assist Assessor Joseph Cohen during a regular meeting Monday night.

They are Mrs. Joan Mase, Mrs. Clara Oggins and Mrs. Loye Emery, who will receive \$12 a day for office work and \$18 a day for field work.

The appointments were tabled twice previously by the board, at meetings on Dec. 9 and Dec. 30 over the strong objections of Cohen, who protested against the delay.

During the brief meeting, minutes and bills were approved. After the meeting, Harry Briggs, township supervisor, said he has yet to hear from the Chicago office of the Federal Housing and Home Finance Agency on the township's application of a \$15,000 loan for preliminary planning of a proposed township-wide sanitary sewer system.

He also said that Nick Vassileff, town attorney, is continuing efforts with the Illinois Commerce Commission in Springfield to obtain flasher warning lights on the county road rail crossing off of Highway 162 at Route 35.

Treasurer Scott Cites Increased Investments

State Treasurer William J. Scott has announced that the state funds invested by him during 1963 earned \$17,979,999 or more than 20 times the cost of operating the treasurer's office for the year.

December earnings were a record for the month. They amounted to \$1,660,115, an increase of 64% over the same month in 1962. Total earnings for 1962 amounted to \$11,400,833. The increase in earnings for 1963 was \$6,579,165.

"As of Dec. 31, 1963, we had \$540 million in state funds available for investment," Scott said, "compared to \$608 million six months ago."

"We have more than \$200 million on deposit in the Illinois banking system at interest rates from 2.75 to 4½—highest in the nation."

The remainder of our funds are invested in government securities. A year ago, the state had \$185 million on deposit in the Illinois banking system at interest rates ranging from 1 to 2.5% with the remainder in government securities.

Scott said he has 330 on his office payroll, contrasted with the 207 employees of the former treasurer a year earlier. The 207 included 21 investigators paid out of the contractual services account in 1962, in addition to 186 carried on the regular payroll. Scott has no employees paid out of the contractual account.

Budget for 1963 was \$386,000, down \$100,000.

In the Inheritance Tax Division, there are 31 persons employed, compared to 98 a year ago.

During 1963, the office completed 9767 examinations of safe deposit boxes in connection with collection of inheritance taxes: a year earlier, 8541 examinations.

Total collections of inheritance taxes for 1963 amounted to \$36,754,791; for 1962, \$31,894,562.

Apply For License Plates By Feb. 1

With the holiday season past, Secretary of State Charles F. Carpenter is reminding motorists that, again this year, Feb. 15 will be the deadline for displaying current motor vehicle license plates.

He emphasized that the date is the deadline for having the plates mounted on the vehicles, not merely a deadline for having submitted an application. He advised those motorists who will apply by mail to have their applications in his office by Feb. 1 to be assured of having the plates in time.

So far, the number of applications received is about 40,000 fewer than at the same time a year ago, Carpenter said. At present, 1964 registrations have reached about 1,400,000. For the entire year, the total is expected to be in the neighborhood of 4,500,000.

For mail applicants, the sooner the application is received, the sooner the plates can be forwarded. For over-the-counter purchasers, there is now little or no waiting in line to obtain the plates.

The desolate Galapagos Islands, known for their rich shrimp and tuna fishing grounds and giant tortoises and iguanas, belong to Ecuador.

Funeral Of Ben Sexton, 93, Held In Tennessee

Word has been received here that funeral services for Ben F. Sexton, 93, father of Mrs. Flayden (Lacy) Hamm and Mrs. Frank (Dorothy) Glasgow, both of Granite City, were held last week in Dover, Tenn., his birthplace.

Mr. Sexton, who had been ill for a year, died at his home. He had been a farmer all of his life in Dover and was a member of the Corinth Baptist Church there.

His wife, Eliza Cole Sexton, preceded him in death 41 years ago. Besides Mrs. Hamm and Mrs. Glasgow, he is survived by four other daughters, Mrs. Bert (Josie) Slavy, Mrs. Henry (Iza) Daniel, Mrs. Studie Dunaway and Mrs. Verdie Mae Martin, and Wiley, Leonard and Robert Sexton, all of Dover; a brother, Claude Sexton, Humboldt, Tenn.; 37 grandchildren, 67 great-grandchildren and two great-great-grandchildren.

Burial took place in the Boyd Cemetery.

Council Adopts Electrical Code; Plumbing Code Next

The city council of Granite City adopted by a 14-1 vote Monday night a municipal electric code that had been placed on their first reading last month. Edmund Bartosak was opposed, and Walter Noen had left the meeting.

By the same 14-1 vote, the council decided to begin enforcement of a warm-air heating system code which was enacted in December. Instead of publishing the code, a booklet issued on the East St. Louis code in 1955 was approved as a temporary measure.

Alderman Donald Partney said efforts are being made to complete code revisions as rapidly as possible, but the procedure will serve as instructors.

Youth and children's classes will study the intercommunal foreign theme for this year. "The Church and Southern Asia." The senior high class will be taught by Mr. and Mrs. Robert Lorentz, and the junior high class by Mr. and Mrs. Thompson. Gene Sternberg and Clyde Boyd.

After Partney reported that the heating code will go into effect Jan. 10, it was decided to proceed immediately to obtain permits and application forms. City Controller John Doehner will handle bidding.

It was pointed out that the printing work will be paid for from \$30 heating license fees. The vote to obtain the forms was 13-2, with Mrs. Gabrielle Bettine and Sternberg opposed and Noen absent.

Parking Ban, Annexation
In other action, the council banned parking on the south side of Benton street, from the Indiana avenue-Oregon avenue alley to the Oregon-Yale drive rather than the city.

Decided to have a resolution prepared on installation of 13 street lights.

Approved liquor license bonds for Tri-Hor Bowl, Henry Ross, provided by Fidelity Insurance Co. of Maryland; Veterans of Foreign Wars, by U. S. Fidelity & Guaranty Co.; Bernard Omb, at both 26th street and Madison avenue and Belvedere Village, by William F. Kaiser and Clarence R. Cooper; James W. Evans, Evergreen tavern, by William V. Couch and Harry McClure; and Jerome and Roy Ficklen, Roma and Roy's, by Laila Crown and S. H. Von Gruenigen.

Heard a report that efforts to have an industrial rock pile moved from a former concrete plant on Braden avenue have been transferred from the city court to the circuit court.

After the adjournment but before most of the aldermen had left, Dan Churovich, a Democratic precinct committeeman, asked that the city urge the Bi-State Transit System to re-route Nameoki road buses through the Anchorage housing project for the elderly. He also requested steps to obtain mail depots in the 2900 block of East 25th street and 2900 block of Edwards street.

Bush Chosen To Attend National Church Meet
Albert P. Bush, chairman of United Presbyterian Men at First United Presbyterian Church, has been elected by the Alton Presbytery as the official representative to the 16th annual meeting of the National Council of United Presbyterian Men. He left this morning.

The meeting will be held Jan. 10-12 at the Statler Hilton Hotel in Cleveland, O. Dr. William H. Schecter, president of Tarkio College, Tarkio, Mo., is president of the council and Paul Moser is the executive secretary, with offices in New York City.
